

The Reeve Foundation offers a wealth of knowledge on SCI and Paralysis and partners with other organizations and foundations with expertise in specific areas of importance to the Military & Veterans community.

Enclosed within this brochure is a selection of useful offices, departments, organizations and foundations.

Please contact the Reeve Foundation directly for a much more comprehensive list of local, state and national resources.

U.S. Army Spc. Esteban Gomez competes in the Silver Strand Half Marathon and 5K race in San Diego, California.

The Christopher & Dana Reeve Foundation has a long and profound history as the premiere organization in the effort to find cures for spinal cord injury (SCI) through our research program, while at the same time caring for all those who live with paralysis through our Quality of Life (QOL) Program.

The Reeve Foundation helps all those who seek our expertise on spinal cord injury and paralysis.

The Reeve Foundation Military & Veteran Program (MVP) is a full spectrum of initiatives:

- Access to Information
- Access to Rehabilitation
- MVP-Peer Mentoring
- Caregiver Support
- Back-to-Life/Work
- Aging with Paralysis
- MVP-QOL Grants

A program focused specifically on assisting service members, veterans, and their families who are living with spinal cord injuries (SCI), paralysis, and traumatic brain injuries (TBI) with mobility impairments.
