

Braintree Town Council

ORDER NO: 14 053

DATE FILED: JULY 17, 2014

REQUEST OF: NATIONAL GRID

National Grid hereby respectfully requests your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and of the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 80 feet more or less of 2 inch gas main in Howie Road, Braintree from the existing 2 inch gas main at house #3, northerly to the proposed 2 inch gas main in Worthington Circle and approximately 220 feet more or less of 2 inch gas main in Worthington Circle from the proposed 2 inch gas main in Howie Road, westerly to the existing 2 inch gas main at Marcia Road with the following conditions:

BELD: Engineering has reviewed petition #14 053 and has no underground utility conflicts within the proposed scope of work.

DPW: Those sections of Howie Rd and Worthington Circle are not under moratorium and no Town construction is pending this year. The roads were reconstructed recently (2008) and are in very good condition. We'd recommend that the petition can be granted under the normal conditions, with emphasis on the requirements that the gas main be laid outside of the trench of the water mains in service and that the trench pavement not be left low for any length of time. If the trench does not wear well the DPW may require additional efforts.

YEAS: Bowes, Clifford, Hume, Kokoros, Mullaney, Owens, Powers, Ryan

NAYS: NONE

ABSENT: O'Brien

PASSED IN COUNCIL: SEPTEMBER 2, 2014

A True Record, Attest:

James M. Casey, Town Clerk

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

1 4 - 0 5 3

Town of Braintree / Town Council:

The Nationalgrid hereby respectfully requests your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways and places of the **Town of Braintree** and of the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 80 feet more or less of 2 inch gas main in Howie Rd, Braintree from the existing 2 inch gas main at house #3, northerly to the proposed 2 inch gas main in Worthington Cir and approximately 220 feet more or less of 2 inch gas main in Worthington Cir from the proposed 2 inch gas main in Howie Rd, westerly to the existing 2 inch gas main at Marcia Rd.

Date: July 16, 2014
