Motion by Councilor Ryan to take from TABLE Order 16 040 and RECONVENE

Motion: by Councilor Ryan

Second: by Councilor Bowes

Vote: For (9), Against (0), Absent (0), Abstain (0)

The Committee on the Department of Public Works recommendations from Chairman Mullaney was stated it was unanimously voted for favorable recommendation to the full Council.

Councilor Ryan read the following Motion:

TERMINATION OF SEWER EASEMENT AND GRANT OF UTILITY EASEMENT 2001 Washington Street, Braintree Massachusetts

Reference is hereby made to certain parcels of land located at 2001 Washington Street, Braintree, Massachusetts owned by 2001 Washington Street LLC, a Massachusetts limited liability company with a business address of 35 Fay Street, Unit E-107B, Boston, MA 02118, as evidenced by a certain deed dated November 15, 2013, and recorded with Norfolk County Registry of Deeds in Book 31906, Page 415 (hereinafter referred to as the “Premises”). Further reference is hereby made to that certain easement granted by the County of Norfolk to the Town of Braintree, dated December 7, 1977, and recorded with the Norfolk County Registry of Deeds in Book 5414, Page 631, and shown on a certain plan of land dated November 17, 1977, recorded with Norfolk County Registry of Deeds as Plan No. 1046 of 1977, which easement was granted to the Town of Braintree for constructing, maintaining and operating a sewer system servicing property located on Division Street in Braintree, Massachusetts (hereinafter referred as the “Sewer Easement”).

WHEREAS, 2001 Washington Street LLC has performed certain improvements located at the Premises; and

WHEREAS, in order to accommodate such improvements, the Town of Braintree has agreed to terminate all right, title and interest in the Sewer Easement; and

WHEREAS, the parties have agreed to enter into this Agreement for the purpose of terminating all interests of and to the Sewer Easement, and to establish a new grant of easement to the Town of Braintree within said Premises, as described below;

NOW THEREFORE, for good and valuable consideration of ten dollars \$10.00, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties do hereby agree as follows.

1. The Town of Braintree, on behalf of itself, and all successors and assigns, (the "Town of Braintree") does hereby permanently terminate all of its right, title and interests to and from the Sewer Easement, intending to, and hereby extinguishing and abandoning, all rights to such Sewer Easement. The location of the Sewer Easement being abandoned is shown on that certain plan recorded herewith, entitled "Utility and Access Easements Plan of Land, 2001 Washington Street, Braintree, Massachusetts, dated May 2, 2016, prepared by Dana F. Perkins, Inc., Consulting Engineers and Land Surveyors, 1049 East Street, Tewksbury, Massachusetts, 01876", (the "Plan") and is labelled on such Plan as the "SEWER EASEMENT TO BE ABANDONED".

2. The 2001 Washington Street LLC, in consideration of the abandonment of the Utility Easement, as stated above in Section 1 of this agreement, does hereby grant a perpetual, non-exclusive, twenty (20') foot wide utility easement to the Town of Braintree, the location of such easement is shown on said Plan and labeled thereon as "Utility Easement – 20' Wide Easement Area = 13,713 sf +/-". Such easement shall be used solely for constructing, maintaining, repairing, replacing and removing the existing and future underground utility lines, pipes, wires, ducts, conduits, and connections and facilities, and all appurtenances thereto, of every kind and nature, for the purpose of providing water, drainage, gas, electrical and/or other utility services and/or sanitary sewer services to properties located on or near Division Street in Braintree Massachusetts, (hereinafter referred to as the "Utility Easement").

3. The Town of Braintree hereby acknowledges and agrees that it is perpetually obligated to maintain, repair and replace the Utility and/or utility connections, piping, conduit and/or equipment and apparatus installed within the Utility Easement area and/or pursuant to this grant, and shall at all times maintain such connections in good working order and repair. The above Utility Easement is also expressly granted with the obligation on the part of the Town of Braintree to: (a) repair, at its own cost, any damage to the Premises or improvements thereon, arising from such exercise of any and all rights granted in this agreement; (b) if such right or exercise requires excavation of any portion of any area within the Utility Easement, the Town of Braintree must: i) provide reasonable advance written notice to the then owner of the Premises prior to commencing such excavation, and ii) to restore, at its own cost, the surface of the Premises to the same condition thereof as immediately prior to such excavation, only at such times and in such manner, as to avoid unreasonable interruption in the then owner's use and enjoyment of the Premises, as the case may be; and (c) to comply with all applicable laws, statutes, regulations and ordinances now or hereafter in effect pertaining to the Premises.

4. All notices and other communications hereunder shall be in writing and shall be deemed duly given: (a) when deposited with the U.S. Postal Service and mailed by registered or certified mail, return receipt requested, postage and registration or certification charges prepaid addressed as follows:

If to the Town Of Braintree:

Director of Department of Public Works
Town of Braintree
1 JFK Memorial Drive
Braintree, MA 02184

If to 2001 Washington Street LLC, while said entity owns said Premises (otherwise to the then owner of said Premises):

Fax: (781) 843-1529

or (b) upon actual delivery when delivered by hand during usual business hours addressed to the same parties specified in subparagraph (a) above, except that either party may by written notice to the other designate another address which shall thereupon become the effective address of such party for the purposes of this paragraph.

5. To the extent necessary to effectuate the extinguishment of the Sewer Easement, and effectuate the grant of the Utility Easement, each of the parties hereto shall execute such other documents as may reasonably be required by the other party hereto, for the purpose of further implementing, evidencing and confirming the rights, easements and agreements which are the subject hereof.

6. This agreement, including all rights, benefits, easements, covenants, agreements and obligations hereunder, shall inure to the benefit of and shall be binding upon the parties and their respective successors and assigns.

7. This agreement shall not be modified, amended or otherwise changed without the express written consent of the each of the parties.

8. The laws of the Commonwealth of Massachusetts shall govern the validity, interpretation, construction and performance of this Agreement.

September 1, 2016

Dear Friend of Rotary:

We would like to thank you again for your sponsorship last year for our 7th Annual "Great Grown-Up" Spelling Bee. The event was a huge success, generating quite a bit of media attention as well as public attention the day of the event. Having the event in Center Court of the South Shore Plaza truly added the extra "buzz" to the Spelling Bee.

This year we have decided to change it up a bit! The fundraiser will now be a Trivia Contest. Dubbed the "Totally Team Trivia" event, it has been scheduled for Saturday, October 22nd at 1 PM again at the South Shore Plaza. We would love to give you the opportunity to advertise in our program book again this year. Attached is a registration form and list of advertising opportunities. Please complete and return as soon as possible with your camera ready artwork. If you would like to email an electronic version of your ad, you may send it to Maryanne Gottfried at marvannegottfried@mvgconsulting.net. Questions about the ad book or other advertising opportunities may also be directed to Melissa Garlisi at mgarlisi@comcast.net, Joanne Tully at jtully@braintreecooperative.com or Maryanne at 781-308-4792.

Please know that your donation as a sponsor will be used to increase our ability to fund educational and other local community projects. The Braintree Rotary Club takes pride in being actively involved in our community, and we depend on events such as this to fund these service projects. To find out more about Braintree Rotary, feel free to call me or visit our website at www.braintreerotaryclub.org or our Facebook page.

Sincerely,

Al Varasso

RE: National Grid Gas Main Petition, 16-046

The DPW has reviewed the subject petition and the accompanying sketch for the new gas main location and have the following recommendations:

16-046- Audubon Avenue, install and maintain approximately 195 feet of 2 inch gas main from existing house at #37, westerly to the end of the main at #25 Audubon Avenue. Audubon Avenue is not under moratorium. We'd recommend that the petition be granted under the normal conditions, with emphasis on the requirements that the gas main be laid outside of the trench of the water mains in service and that the trench pavement not be left low for any length of time; We also recommend that the following requirement be added to the permit, if it is to be granted:

"Neither National Grid nor any of its contractors is authorized to close any street or to close a direction of travel to facilitate their work without authorization from the Director of the Department of Public Works or the Highway Superintendent. The Chief of Police can also authorize a closure for a police or fire emergency. Construction zone traffic safety issues are to be addressed by using appropriate traffic control signs and devices and the use of police officers for traffic control to safely guide traffic through the work zone. If a closure is authorized by the DPW, it shall not be implemented until signs and police officers (where needed) are properly in place in conformity with the written plan prepared by the contractor's engineer and approved by the DPW and Police Department."

RE: National Grid Gas Main Petition, 16-048

The DPW has reviewed the subject petition and the accompanying sketch for the new gas main location and have the following recommendations:

16-048- Washington Street, install and maintain approximately 320 feet of 2 inch gas main in Washington Street, from the existing 2 inch main at Jefferson Street, southerly to the existing main at Hancock Street. All of which is to replace and abandon the existing 2 inch gas main in Washington Street. . This section of Washington Street is under the moratorium. The street was reconstructed in 2015. We would recommend that the petition for this section only be granted with conditions specified in the moratorium. We also recommend that the following requirement be added to the permit, if it is to be granted:

RE: National Grid Gas Main Petition, 16-051

The DPW has reviewed the subject petition and the accompanying sketch for the new gas main location and have the following recommendations:

16-051 – Claremont Street, to install and maintain approximately 740 feet of 2 inch gas main in Claremont Street. From the existing 1 1/2 inch main at Liberty Street, easterly to the end of the main at #46 Lincoln Street, Aldridge Elementary School. All of which is to replace and abandon the existing 1 1/2 and 2" gas mains in Claremont Street. Claremont Street is not under the moratorium. We'd recommend that the petition be granted under the normal conditions, with emphasis on the requirements that the gas main be laid outside of the trench of the water mains in service and that the trench pavement not be left low for any length of time; We also recommend that the following requirement be added to the permit, if it is to be granted:

"Neither National Grid nor any of its contractors is authorized to close any street or to close a direction of travel to facilitate their work without authorization from the Director of the Department of Public Works or the Highway Superintendent. The Chief of Police can also authorize a closure for a police or fire emergency. Construction zone traffic safety issues are to be addressed by using appropriate traffic control signs and devices and the use of police officers for traffic control to safely guide traffic through the work zone. If a closure is authorized by the DPW, it shall not be implemented until signs and police officers (where needed) are properly in place in conformity with the written plan prepared by the contractor's engineer and approved by the DPW and Police Department."

Dear Ms. Cimino:

Please see the below comments for the National Grid Gas Petitions.

16-047 Glenrose Avenue; BELD has a 13,800 volt underground system on the North side of the road extending to Vinedale.

This is a concrete encased ductbank to be identified through the Digsafe process.

16-048 Washington Street; BELD has a 13,800 volt underground system on Washington St extending from Hancock St to Pond St.

This is a concrete encased ductbank to be identified through the Digsafe process.

16-052 Townsend Avenue; Please note, BELD has a 115,000 volt oil filled transmission line located on Cleveland Ave at the end of the proposed scope of work. BELD Engineering should be notified in advance of any excavation to be performed in close proximity to this line. BELD will provide on site support and safety personnel at no cost to the project.

Please contact me with any questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sean Murphy".

Pursuant to my authority as Mayor under Section 3-3 of the Braintree Town Charter I hereby appoint Laurie Melchionda, Med, BSN, RN to the Board of Health. I am sure that you will agree that her more than thirty years as a registered nurse including almost twenty years in the Braintree Public School system, the last two as the interim director of school nursing, make her extremely qualified to take on this role.

I have attached Ms. Melchionda's resume for your review. I thank you for your attention to this matter and I request favorable action.

Pursuant to my authority as Mayor under Section 3-3 of the Braintree Town Charter I hereby appoint Joyce Albrecht to the Conservation Commission filling the vacancy caused by the recent passing of Ms. Albrecht's husband, Commission Chairman Patrick Flynn. In attention to her passion for the outdoors that she shared with Pat she has extensive business experience as well as an understanding and appreciation of our environment. I have confidence in her abilities and believe that Joyce will serve our town well – as her husband did.

I thank you for your attention to this matter and I request favorable action.

Re: Federal Port Security Grant Matching Funds Capital Request

RECEIVED TOWN CLERK
BRAintree, MA
2016 SEP 29 AM 11:46

We are pleased to inform you that we have been awarded a 75% funding grant from the Department of Homeland Security under the Fiscal Year 2016 Port Security Grant Program in the amount of \$506,250 toward the purchase of a Fire boat. We are required to contribute a town match of \$168,750 or 25% of the total projected cost of \$675,000. The boat will allow us to provide expanded fire protection for the town along the waterways in the Fore River Basin.

This grant comes with a required time frame with the acceptance of the award made by November 23, 2016. In order to be responsive to the Federal deadline we are submitting this capital request separately before our annual town capital plan in November.

Through Chief O'Brien, the Fire department is working on obtaining quotes and the boat will be put out to bid once funding is approved and the specifications are finalized. The time from ordering the boat to delivery is approximately 6 months. The Fire department is also developing an annual operating budget incorporating the Fire boat for FY 2018. The basic plan for its operations is that a current engine company will respond from their quarters and run the boat when needed. This will not result in the need for any additional firefighting staff. The fire department also believes that there may be additional FEMA funds available for some of the operating costs like fuel and some required training.

To provide for the most efficient and responsive appropriation of town funds for the match to the Homeland Security grant, we propose to take the funds from the town's stabilization fund. The stabilization fund has a current balance of approximately \$540,000 before this action. Therefore we are requesting \$168,750 to provide the Town match to the \$506,250 Federal grant for the purchase of the Fire boat. This motion will accept the federal government's Department of Homeland security grant of \$506,250 (75%) and the Town's match of \$168,750 (25%) to the total cost for the purchase of a Firefighting boat.

The purchase of this Fire boat is good news for Braintree. It allows us to offer our citizens and businesses upgraded protection to benefit the safety of all. I know that you join with me in congratulating Congressman Stephen Lynch, Chief O'Brien, the members of our Fire Department and our Town Grant Writer Barbara Mello for their efforts in securing this federal funding for Braintree.

Accordingly, your review and approval of the following motion is requested:

1) Fire Department – Equipment

MOTION: That the sum of \$675,000 be appropriated for the purpose of purchasing a fire boat to meet said appropriation funding to come from the federal government Department of Homeland Security grant in the amount of \$506,250 (75%) and the Town's match of \$168,750 (25%) to be transferred from the town's stabilization fund for the purchase of a Firefighting boat and any other costs related thereto.

Since these requests involve the appropriation of funds within the fiscal year 2017 budget, advertising and a public hearing is required under the sections 2-9 and 6-7 of the Town Charter.
