

TOWN OF BRAINTREE

IN COUNCIL

ORDER NO. 08 057

September 5, 2008

INTRODUCED: NATIONAL GRID

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 125 feet, more or less of 2 inch gas main in Elliot Street, Braintree.

From the existing 2 inch gas main in Elliot Street @ House No. 55 Southerly to House No. 60 Easterly, 100 feet of ½ inch gas to service No. 60.

The above petition was approved with the following conditions:

1. Obtain a street opening permit from the Highway Division
2. The new line must be at least four feet away from existing water and sewer lines
3. The new line should be a minimum of two feet deep for future reconstruction of the street
4. Homeowners in the vicinity of the work are to be delivered a flyer that states the nature of the work and a date work will begin
5. Residents are to be provided 30 minute notice if driveway's are going to be blocked due to construction

Passed in Council – September 23, 2008
