Clerk Cimino,

Please file along with sending to the Chair and members of the Ordinance & Rules committee in reference to Council Rules.

Chairman Ringius,

Thank you for reviewing the Council Rules in accordance with Rule Fifty Six: Adoption of Rules and making the Council aware of your time-line. Please accept this opinion as a result of reviewing the updated rules provided with the April 7, 2020 Town Council Meeting documents. These comments assume the Council Rules dated March 2020 in hand; I did not feel it necessary to enclose it in its entirety:

1). Rule Four - I find the changes “continue to” and “in the presence...” to be confusing as to the President’s ability to opine. Since I could find no previous or other reference to the President’s ability to opine, this Rule seems to introduce that. My opinion is either reword the paragraph to ensure there is no confusion that the President may opine to the “current” “or “Substitute Chair”. Or, perhaps, the President’s ability to opine could be included as a new rule and I would ask for consideration to include the President sitting as ex-officio; I feel it meaningful but missing in our rules. Robert’s Rules does allow this to be defined by us.

2). Rule Fifteen - It is greatly appreciated that “present” is now included in this Rule. However, the yeah’s (aye) and nay’s (proper Viva Voce voting) are missing. Later in the Rules document, Rule Nineteen introduces yeah and nay but excludes the “yes, no, etc.” options listed in Rule Fifteen.

3). Rule Thirty-Three (and/or Rule Thirty-Four)— I’ve redrafted (attached) as I feel it essential documents are provided upon **introduction** of measures; something our previous Mayor habitually ignored even after several council members strongly requested behavior change.

But I actually would like consideration of language which I titled Rule 59 when I drafted this last calendar year. Rule 59 was never actually introduced because I was advised that the former Chief of Staff was *going to be more complaint*; but compliance was short-lived. See the attached document titled “Rule 59 - Council Business Pre-Filing”.

4). Rule Fifty-Two - Doesn’t Rule 52 conflict with Rule 35? One example is presentation length. I’m not certain Rule 52 is necessary.

5). Rule Fifty-Six - The communication distribution should be listed as two (2) “business days” (or other language as seen fit).

6). Rule Fifty-Nine - There was some discussion in the “halls of the chamber” about modifying the “newspaper” publication requirement since newspaper circulation has been greatly reduced. I found this on the AG’s website for open meeting requirements;

“Local public bodies are required to post notices in a manner conspicuously visible to the public at all hours in or on the municipal building in which the clerk's office is located. This may be a bulletin board, an electronic display, or a binder. As an alternative method of notice, a municipality may adopt a website as the official notice posting method for all the public bodies within the municipality, and must notify the Attorney General's Office in writing of the website's address. Municipalities that have not adopted websites are noted in the spreadsheet as posting a “physical notice.””

We (like some of the other 351 cities and towns) could take advantage of this requirement and save the Council potentially \$17k (See Council's FY2020 advertising budget). This is easily accomplished by having the Council Clerk notify the Executive Branch of our desire to change and, once authorized, a simple notice in writing to the AG is all the Town has to do.

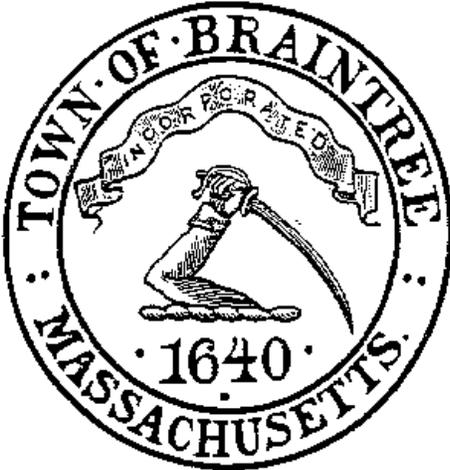

Rule Sixty-Three - What do you mean by "upon review" at the end of the last sentence? Is it as-it-relates to the Clerk authorizing bills? It's confusing...

Rule Sixty-Five - I object to the reduction of the current authorization from \$2,500 to \$1,000. While I admit I do not always submit my bills and I MAY be a rare politician without a committee, I do submit bills. Since I don't have a committee, my expenses are out of my personal pocket and I don't understand the intent behind this reduction.

## Rule 59 - Pre-filing of Town Council Business

- (a) At any time between regular Town Council sessions, but no later than ten (10) days before the beginning of a regular session, measures including proposed ordinances, appropriation orders, loan authorizations, or any other measures in general, must be pre-filed with the Town Clerk and Clerk of the Council for introduction at the next Town Council session. However, no measure shall be pre-filed between final adjournment of the last regular session of a legislative term and promulgation of the returns of the Town Election for members of the Council for the next succeeding term. After promulgation of the election returns, any member-elect or the executive branch may then pre-file measures for introduction at the next regular session.
- (b) No measure shall be pre-filed without the complete measure including all supporting documentation being set forth in full in the filing. Summarized measures will be rejected and sent back to the original author.
- (c) The author of a pre-filed measure may amend the measure at any time prior to introduction to the Town Council by written request to the Town Clerk. In such case, the Town Clerk shall accept the amendment but will be required to once again begin the pre-filing time-line.
- (d) The author of a pre-filed measure may withdraw it at any time prior to introduction to the Town Council by written request to the Town Clerk and Clerk of the Council. In such case, the measure shall be reclaimed from the Council and its withdrawal will be entered on the Town Council Agenda.
