- **25 070** Mayor: Proposed Zoning Ordinance Text Amendment Section 135-711 Site Plan Review or take up any action relative thereto (***Public Hearing on February 3, 2026 at full Council***)

Chairman Ringius stated Director Matchak, I turn to you for an overview and why we're here on this and what the planning board has ruled on this.

Director Matchak stated we are here tonight to look at uh to add some text amendments to the applicability section under the site plan review. Right now the applicability is for bylaw and approval, and this bylaw is proposed would add a fifth. This is the text in front of you tonight. It identifies chapter 40A section 3 which is exempt zoning uses. So historically under the Massachusetts chapter 40A act right of zoning they outlined that a number of uses are exempt which is historically known as the Dover Amendment to some, but it's really educational uses and religious activities. So schools and churches really do not have to apply under the zoning code; they can be established anywhere within a community. Over time, I believe the state of Massachusetts has started to expand the number of exempt uses and so with that and with the expansion of 40A Section 3, a lot of cities and towns have built in applicability clauses which actually speak to uses that come in under this section. To say hey you have to come in for a site plan approval and they use the term reasonable regulations and so there is a review process and so what this text we're putting into what we're proposing is adding an applicability section to say if you are applying for a project using a zoning exempt use you still have to come forward through the planning board. So, from my standpoint, we're adding clarity to our bylaw and we're addressing Chapter 40A, Section 3, which is an area where the state I believe has continued to expand. And so therefore I think it's really important for the town of Braintree to add this section. I do want to say that the planning board voted favorably to add this text amendment. This text amendment is not something that I or any... Director pulled out of thin air. These are texts that are very similar to other communities. Quincy is a community that has a bylaw that addresses Chapter 40A Section 3. That if something came forward applying this exact land use statute, that you would still have to go through a planning board review. Planning board review is there for health, safety and welfare right? That's the fundamental building block of zoning. So, therefore, site plan approval I believe is necessary for health, safety, and welfare to make sure that that site and that development is put in in a reasonable manner into a neighborhood. And that's what this text is trying to pinpoint.

Chairman Ringius asked are there any comments from committee members?

Councilor Sterling asked why did we include ADUs in there?

Director Matchak stated because ADUs is a protected use. So working with Counselor Carolyn Murray who I drafted this with she kind of pointed me, to a couple of communities, she works in Wayland. She's familiar with Quincy. I've looked at a couple other communities, but speaking with Counselor Carolyn Murray, she kind of said that we do have to build an ADU because it's a protected use and then

also under the site plan review, you know we're not identifying single and two family homes as residential use, so we're trying to keep this from the larger or bigger scale development with the ADU, and that was just kind of a you know the attorney's, you know, Counselor Carolyn Murray's kind of view on the ADU situation.

Councilor Quilty stated ADUs already have stipulations built into them.
Director Matchak stated correct.

Chairman Ringius stated I think you answered one of my questions that Town Solicitor has looked at this and did approve it. You said counsel solicitor Murray was involved in it? Correct. And planning board was favorable with their recommendation. Was there any sort of just I know it passed, but was there any resistance from any planning board members?

Director Matchak stated the Planning Board all voted favorable recommendation.

Chairman Ringius asked if there is a Motion on this?

Councilor Sterling read:

FOR FAVORABLE RECOMMENDATION TO THE FULL COUNCIL:

MOTION: To accept the proposed Zoning Ordinance Text Amendments Section 135-711: Site Plan Review (SPR) of multifamily, apartment, business and commercial developments with Planning Board Recommendations.

Motion: by Councilor Sterling to approve Order 25 070

Second: by Councilor Quilty

Vote: For (4 – Daiute, Quilty, Ringius, Sterling), Against (0),
Absent (1 - Reynolds), Abstain (0)

- **002 26** Council President: Town Council Rules Review or take up any action relative thereto

Chairman Ringius stated:

Rule Sixty-One: Adoption of Rules

These rules will be reviewed and adopted within 90 days after the first Council Meeting in every even year.

Everyone should have a copy of the Town Council Rules in your packet in front of you.

This is sort of a biannual process we go through. I think it's one of the more important documents that we vote on because it really, in addition to the purview of the town charter and Robert's Rules of Order, it sort of guides how we run our meetings and the decorum that we're going to have during those meetings. It is sort of a lengthy list. About six years ago now, we did a very, very thorough review to the point of changing semicolons and commas and that sort of stuff. We deleted some rules last year or two years ago; we deleted some more and added some things. So it's sort of a flexible document, it's a living breathing document. With that said, I don't know if anyone's had a chance to look over them, has any suggestions yet. We do have some time left. We have a whole three months. I don't think we've gotten any recommendations from other councilor's. So I don't know if there's something we want to talk about tonight or if everyone wants to take a chance to sort of look them over uh and come back at another one meeting in the future to kind of vote and work through it. So I would defer to the will of the subcommittee.

Clerk of the Council Cimino made one suggestion. Can you possibly read Rule Thirty One and explain to me how you think that that would work? Would it be a remote participation or I didn't know if we need to clarify it at all.

Chairman Ringius stated that's a great question. I think there needs to be some clarification on that one. I think there's a phrase missing that needs to be added so that we can ensure that, yeah, because it's mentioning the attendance at a public hearing. Yeah, I agree with you. So, I think it's something to add.

Chairman Ringius asked if there is a Motion to Table this?

Motion by Councilor Sterling to Table item 002 26 to a future meeting

Motion: by Councilor Sterling to Table item 002 26

Second: by Councilor Daiute

Vote: For (4 – Daiute, Quilty, Ringius, Sterling), Against (0),
Absent (1 - Reynolds), Abstain (0)

It was unanimously voted to adjourn the meeting at 6:47pm

Respectfully submitted,
Susan M. Cimino, Clerk of the Council
