Joseph C. Sullivan, Mayor discussed the tax rate. He mentioned the average home or residential value in Braintree is \$502,593.93. This is up by \$30,000 from last year. We have the highest value of any community that physically touches us and per 1,000 the lowest tax rate of these communities. Quincy’s average residential value is \$492,400, Weymouth’s average is \$400,000, Holbrook is \$325,000 and Randolph is \$349,000. If you look at the tax rate it is less than \$10 per \$1,000.

Council President Ryan referred to Councilor Bowes, Chairman for Committee of Ways & Means for a recommendation. Councilor Bowes stated the committee met on these items. All items were a favorable recommendation to the full Council.

• **19 047 Mayor: Tri-Town Legislation or take up any action relative thereto (No Public Hearing Required)**

On November 19, 2019, the Council referred the Tri Town legislation to the Committee on Ordinance and Rules for review. The Special Act would repeal the existing legislation, which dates back to 1885 and 1886, allowing for a joint water board between Randolph and Holbrook.

Currently, Braintree operates its own water treatment plant and Randolph and Holbrook operate a second plant that serves both communities. The Special Act will codify the decision to build one (1) treatment plant that will serve all three (3) municipalities and be governed by a Board of Directors (Board) comprised of one (1) representative from each municipality. The purpose of the Tri Town Water District (District) is to provide for the supply, treatment and distribution of water from the Great Pond Reservoir System to Braintree, Randolph and Holbrook.

In conjunction with a Joint Powers Agreement (to be signed by all 3 communities at a later date), this Special Act establishes the District as a stand-alone entity and vests within it certain powers and authority. Powers and duties vested in the District include, but are not limited to:

- To purchase, take by eminent domain or otherwise acquire property for purposes of the District.
 - To borrow money and apply for grants or contracts to obtain funds necessary to carry out the purposes of the District.
 - To incur debt (The Board may, instead of incurring debt, allow each of the member municipalities to incur debt for the benefit of the District).
 - To receive and disburse funds for any District purpose and to invest funds.
 - To submit an annual report to each of the member towns, containing a detailed financial statement, and a statement showing the method by which the annual charges assessed against each town were computed.
 - To enter into contracts, including but not limited to contracts for the purchase, supply, treatment and distribution of water and contracts for the operation and management of the water facilities of the District.
 - To enact by-laws and rules.
- By unanimous vote, the Board shall annually determine the amount necessary to maintain and operate the district, plus a reserve fund not to exceed 15% of the maintenance and operating budget.
- Operating costs shall be apportioned to each municipality on a flow-proportionate basis, based on the average daily use, on an annual basis.
 - Capital costs shall be apportioned as follows: Braintree-50%; Randolph-34%; Holbrook-16%.

Please note that the current practice of each community maintaining responsibility for distribution to their residents will continue. To that end, Randolph and Holbrook will maintain responsibility for the distribution of water in their respective municipalities. The two (2) municipalities will be solely responsible for the cost of distribution, including installation and maintenance of a pipe from the new facility. The Town will not have any responsibility for costs associated with distribution in Randolph and Holbrook.

The final language of the Joint Powers Agreement, which fills in details consistent with the Act (terms for Board members, quantity of vote required, process for yearly assessments at the %s set in Section 4 of the Act, etc.) will be considered at a later date. The JPA will require unanimous votes of the 3 member Board for the yearly assessments, bonding or incurring other debt. The Agreement also provides for a process whereby any one of the Towns can veto a vote by the Board to issue bonds.

Councilor Hume asked about operational and maintenance costs and how that gets shared between the three towns.

Nicole Taub, Town Solicitor stated the legislation sets forth distribution on capital costs alone and also indicates any operational costs that would include any regular maintenance would be covered on a use proportionate basis. All three communities will sign the legislation and all three will presumably sign the Joint Powers Agreement which will be binding and hold each responsible. The board member will be the Mayor or his designee.

Council President Ryan referred to Councilor Powers, Chairman for Committee on Ordinance & Rules for a recommendation. Councilor Powers stated the committee met earlier this evening. The committee was given the presentation from Nicole Taub, Town Solicitor. The vote was 3 to 0 for a favorable recommendation to the full Council. Councilor Powers stated when the JPA is signed if there are any concerns it will be addressed before the Town signs it.

Council President Ryan and Councilor Kokoros were on the Water & Sewer Commission many years ago. Council President Ryan stated a tri-town water plant made sense then and certainly makes sense now to partner with neighboring communities to share capital costs and operating costs and save money for the residents of Braintree. The residents want to know when they turn their water on they are getting a high quality product for the best price possible.

Motions was read by Councilor Kokoros:

MOTION: To approve the attached “Act Establishing the Tri-Town Water District”, which shall be substantially in the form as presented and as substantially set forth in the document attached, to authorize the Town Council to take any action necessary in connection with the submission of said motion, and to authorize the General Court to make clerical or editorial changes of form to the bill.

AN ACT ESTABLISHING THE TRI-TOWN WATER DISTRICT

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. The establishment of the Tri-Town Water District, hereinafter referred to as the District passed by votes of the legally authorized authorities in the towns of Braintree, Holbrook and Randolph in 2019 and in accordance with a Joint Powers Agreement among said towns for the establishment of the District, hereinafter referred to as the Agreement, and all actions heretofore taken by the District Board of Directors which were not inconsistent with this act or with the terms of the Agreement, are hereby validated, ratified and confirmed in all respects. The Agreement shall be effective and binding upon approval by the parties in the following manner: (a) in Braintree and Randolph, by their respective town councils, and with the approval of the mayor in Braintree; and (b) in Holbrook, by the board of selectmen.

The purpose of the District shall be to provide for the supply, treatment and distribution of water to the member towns. The said District for the purposes aforesaid, in the manner herein provided, may take, by purchase or otherwise, and hold and convey to and into the said towns, from some one convenient point, or through a common conduit, the waters of the Great Pond Reservoir System, including Great Pond, Richardi Reservoir, Farm River, Norroway Brook and the Cochato River in the towns of Braintree and Randolph and the waters which flow into and from the same, or any part thereof; and may also take, by purchase or otherwise, and hold any water rights connected therewith, and also all lands, rights of way and easements necessary for holding and preserving such water, and for conveying the same to any part of said towns, and may erect on the land thus taken or held proper dams, buildings, fixtures and other structures, and may make excavations, procure and operate machinery and provide such other means and appliances as may be necessary for the establishment and maintenance of complete and effective water works, and may construct and lay down conduits, pipes and other works, under or over any lands, water courses, railroads, or public or private ways, and along any such way, in such manner as not unnecessarily to obstruct the same; and for the purpose of constructing, maintaining and repairing such conduits, pipes and other works, and for all proper purposes of this act, said District, may dig up any such lands, and may enter upon and dig up any ways in said towns, in such manner as to cause the least hinderance to public travel on such ways.

This Act shall, in the manner and on the terms set forth in the Agreement, supersede in their entirety, and fully repeal, Chapter 217 of the Acts of 1885 and Chapter 269 of the Acts of 1886.

SECTION 2. The powers, duties and liabilities of the District shall be vested in and exercised by a District board of directors, hereinafter referred to as the board, organized in accordance with this section and the Agreement. Each member of the board shall be entitled to a vote. The board shall choose a chairman and secretary by ballot from its membership. The board shall coordinate the activities of the District and may establish any policies or procedures necessary to do so. The board shall establish and manage a fund to which all monies contributed by the participating towns, and all grants and gifts from the federal or state government or any other source, shall be

deposited. The board shall appoint a treasurer who may be a treasurer of 1 of the participating governmental units. No member of the board or other employee of the District shall be eligible to serve concurrently as treasurer. The treasurer, subject to the direction and approval of the board, shall be authorized to receive, invest and disburse all funds of the District without further appropriation. The treasurer may, by vote of said board, be compensated for his services. The treasurer of the District shall be subject to sections 35, 52 and 109A of chapter 41 of the General Laws, to the extent applicable. The treasurer may make appropriate investments of the funds of the District consistent with section 55B of chapter 44.

The board shall appoint a business officer who may be a city auditor, town accountant or officer with similar duties, of 1 of the participating governmental units. The business officer shall have the duties and responsibilities of an auditor or accountant pursuant to sections 52 and 56 of chapter 41 and shall not be eligible to hold the office of treasurer.

The District shall be subject to an annual audit and a copy of such audit shall be provided to the member towns and to the division of local services of the department of revenue.

Each of the member towns' legally authorized authorities shall appoint 1 board member, for a total of 3 members.

SECTION 3. The District shall be a body politic and corporate and political subdivision of the commonwealth and shall have the following powers and duties:

(1) To adopt a name and a corporate seal, and the engraved or printed facsimile of such seal appearing on a bond or note of the District shall have the same legal effect as such seal would have if it were impressed thereon.

(2) To sue and be sued, but only to the same extent and upon the same conditions that a city or town may be sued. The members and officers of the District shall be deemed to be public employees within the meaning of chapter two hundred and fifty-eight.

(3) To purchase, take by eminent domain under chapter 79 of the General Laws or otherwise acquire property within the member towns, or any interests therein, for the purposes of the District, including the protection of the water supply; to construct, reconstruct, replace, rehabilitate, repair, equip, operate and maintain water supply, treatment and distribution facilities for the benefit of said towns, and any other facilities necessary to carry out the purposes of the District; and to make any necessary contracts in relation thereto. The board may exercise its power to take property by eminent domain only upon a unanimous vote of the full board,

(4) To borrow money and apply for state, federal or corporate grants or contracts to obtain funds necessary to carry out the purposes of the District. Any borrowing shall undertaken in accordance with sections 16 to 28, inclusive, of chapter 44. The board may, subject to chapter 30B, enter into contracts for the purchase of supplies, materials and services and for the purchase or lease of land, buildings and equipment, as considered necessary by the Board.

5) To incur debt, in accordance with the Agreement, for the purpose of acquiring land, or any interests therein, and constructing, reconstruction, replacing, rehabilitating, repairing and equipping water supply, treatment and distribution facilities and any other facilities necessary to carry out the purposes of the District, including debt for the purposes of designing and otherwise planning any such improvements, for a term not exceeding 30 years. Alternatively, for the same

purposes, the board may, in lieu of incurring debt, allow each of the District's member municipalities to incur debt for the benefit of the District.

(6) To issue bonds and notes in the name and upon the full faith and credit of said District; said bonds or notes shall be signed by the chairman and the treasurer of the board, except that said chairman by a writing bearing his written signature and filed in the office of said treasurer, which writing shall be open to public inspection, may authorize said treasurer to cause to be engraved or printed on said bonds or notes a facsimile of said chairman's signature, and such facsimile signature so engraved or printed shall have the same validity and effect as said chairman's written signature, and each issue of bonds or notes shall be a separate loan.

(7) To receive and disburse funds for any District purpose, and to invest funds in any investments legally permitted for cities and towns.

(8) To incur temporary debt in anticipation of revenue to be received from the member towns or from any other source.

(9) To assess member towns for any expenses of the District.

(10) To maintain a reserve fund, and to carry over the remaining balance of such fund into the ensuing fiscal year, subject to the limitations in section 4 of this Act.

(11) To apply to receive and expend or hold any grants or gifts from the commonwealth, the federal government and other grantors for the purposes of the District.

(12) To engage legal counsel, financial advisors, engineers, accountants, consultants, agents and other advisors.

(13) To submit an annual report to each of the member towns, containing a detailed financial statement, and a statement showing the method by which the annual charges assessed against each town were computed.

(14) To employ such employees as it considers necessary to operate such district.

15) To enter into contracts with any persons, including but not limited to non-member cities and towns, other bodies politic and the United States of America, that are necessary or convenient to carrying out the powers of the District, including but not limited to contracts for the purchase, supply, treatment and distribution of water and contracts for the operation and management of the water facilities of the District.

(16) To enact by-laws and rules concerning the management and regulation of its affairs and the use of its facilities and the provision of its services.

(17) To convey, sell, lease or otherwise dispose of any District real or personal property, or interests therein, no longer needed for District purposes.

(18) To do any and all other things necessary and convenient to carrying out the powers and purposes of the District, and all other things incidental and related thereto.

SECTION 4. The board shall by unanimous vote annually determine the amounts necessary to be raised to maintain and operate the District during the ensuing fiscal year, plus a reserve fund not to exceed 15 per cent of the maintenance and operating budget, and the amounts required for payment of debt and interest incurred by the District which will be due in said year, and shall apportion the amounts so determined among the several member towns in accordance with the terms of the Agreement, namely such that operating costs shall be apportioned to each member town on a flow-proportionate basis, based upon the average daily usage as measured at the District flow meters, and capital costs shall be apportioned among the member towns in the following proportions: Braintree shall pay 50%, Randolph shall pay 34% and Holbrook shall pay 16%. The amounts so apportioned for each town shall, prior to February first in each year, be certified by the District treasurer to the treasurers of the several towns. Except to the extent provided for from water system revenues and other sources, the obligation of each member town to pay apportionments pursuant to the Agreement shall be included in the amounts to be assessed annually in each such town under section 23 of chapter 59 of the General Laws, and, with or without an appropriation therefore, the town treasurer shall pay to the District the amounts so apportioned at the times specified in the Agreement. The amounts apportioned or to be apportioned pursuant to the Agreement shall not be included in the statutory limit of indebtedness of any town. Each of said towns shall transfer all or any portion of the amounts appropriated for capital costs to the District only upon receipt by the treasurer of the town from the District of copies of invoices or other evidence satisfactory to the treasurer that the project costs for which said amounts are being transferred have been incurred by the District and are due and payable.

SECTION 5. Notwithstanding chapter 44 of the General Laws to the contrary, only sections 16 to 28, inclusive, of said chapter 44, so far as apt, shall apply to the District; provided, however, that section 16 of said chapter 44 relating to the countersigning of bonds and notes and section 24 of said chapter 44 relating to the countersigning and approval of notes and the certificates of the clerk relating thereto shall not apply to the District. Any debt incurred by the District shall not be subject to the limit of indebtedness prescribed in section 10 of said chapter 44.

SECTION 6. The member towns may from time to time amend the Agreement if the Agreement as so amended is not inconsistent with this act.

Against (0), Absent (0), Abstain (0)

Council President Ryan referred to Councilor Bowes, Chairman for Committee of Ways & Means for a recommendation. Councilor Bowes stated the committee met on this item. This is a \$21,500 appropriation. The committee made a favorable recommendation to the full Council with a vote of 4 to 1. There were parking concerns from Councilor O’Brien and Councilor Hume. It has been documented and will be addressed at the appropriate time.

Council President Ryan asked if any member of the Council or General Public want to speak on Order 19 048?

Councilor Hume stated I did vote to support this. Improvements to any of our parks is a great thing and Community Preservation Funds are being used for this. I fully support it. My concern was on parking. Currently there is no parking. Overflow goes into the neighborhoods. I asked to move forward with this and the upgrades but no game should be authorized or on the books until we get a parking plan in place. The Mayor’s office said they would speak to the businesses in the area but until we have a plan in place for parking I do not think any games should be played. This is my only concern. I fully support the project.

Councilor O’Brien stated I agree with the previous speakers but I think the parking plan should have been part and parcel with the support of this so I voted against this solely because this will be a parking issue. I

felt if this is not addressed at the time it is being approved there is a good chance it does not get addressed. I feel this parking will be a safety concern and this is why I did vote against it.

Councilor Ryan and Councilor Powers both stated they are happy to see improvements being made to this park and will be supporting it.

Council President asked if there is anyone else wishing to speak? Hearing none.

ANNOUNCEMENTS

Council President Hume stated Mayor Kokoros will be making a statement this evening. This was not anticipated therefore it was not on the agenda. There will be no questions or comments after his statement. The items of topic will be referred later this evening to the Committee of Ways & Means and there will be time at the next Ways & Means for questions, comments and conversations can take place.

Mayor Kokoros stated he wanted to give an introduction to the recent announcement of Debt Exclusion. Which will be referred to committee. I have done an analysis on the Operating Budget even before I was elected Mayor. The only fiscally responsible way is to do a Debt Exclusion. This will incorporate other items. I have gone through every school from the boiler rooms to the roof and found issues that need to be addressed. These roofs are at Hollis, Liberty, Flaherty, Morrison, Highlands and Monatiquot. School security enhancement is included in this. The High School is also quite aged and needs some attention. We are including a BHS feasibility study also. There would be a temporary tax increase to the average homeowner of approximately \$190.99 per year. In the way the funding is set up it would reduce in years 6 through 10 to \$175.91 and then down to \$170.88 and in the final years \$150.78. After it was paid off it would be gone unlike an over-ride exclusion which is much different. I made a commitment to make capital improvements in this Town. This is not only a way to fund capital improvements on the schools but also allows us some flexibility on other municipal buildings that we need to pay attention to as well. The vote Town Council takes on February 4, 2020 once it goes through committee doesn't necessarily say you support or oppose the Debt Exclusion this just gives the residents the opportunity to take a vote and better the school system and better the town as a whole. We are looking to have a Ballot Question on March 28, 2020. I have been working on this since the day after I was elected and working on a new South Middle School and making sure the funding was there. MSBA will also be giving us \$30 plus million dollars to fund this project. It is very valuable and important.

• **20 002 Mayor: Transfer Funds from the Human Resources Salary Reserve or take up any action relative thereto**

Council President Hume asked for a recommendation from the Councilor Boericke, Chairwoman of the Committee of Ways & Means. Councilor Boericke stated the committee met earlier this evening and Order 20 002 was discussed. This is for the transfer of funds from the Human Resource Salary Reserve to fund the 3 union contracts. The vote was for a favorable recommendation to the full Council and a vote of 5 to 0 on all three motions.

Council President Hume asked if any member of the Council or General Public want to speak on Order 20 002?

Council President asked if there is anyone else wishing to speak? Hearing none is there a Motion.

Councilor Ringius read the following Motion(s):

1. **MOTION:** That the Town vote to amend the wage and salary classification schedules, as most recently amended by **transferring** the sum of \$73,811.90 for the purpose of funding a wage increase and other items as detailed in the Memorandum of Agreement (MOA) for the Braintree Police Officers Association (BPOA) effective July 1, 2019, and for this purpose, the sum of \$73,811.90 be transferred from the Human Resources/ Program 04 – Employee Benefits/ Benefits Reserve 5179 and further, that the Director of Municipal Finance is authorized to allocate said sums to and among the various accounts affected thereby in such amounts as are proper and required. In anticipation of approval of these agreements, funds were appropriated to a salary reserve account in the previously approved Fiscal Year 2020 budget.

Motion: by Councilor Ringius to Approve Order 20 002 (1)

Second: by Councilor Ryan

Vote: For (8 – Boericke, Connors, Flaherty, Hume, Mackin, Ringius, Ryan, Sciascia),
Against (0), Absent (0), Abstain (0), Present (1 – O’Brien)

Councilor O’Brien stated I will not vote for this. I do not agree with 2-3-2 increases relative to what the Mayor had stated. When we approved the budget money was allocated but a 2-3-2 for all these unions was not.

Councilor Ryan stated I will be supporting this, all three of these motions. We have many unions in the town and collective bargaining agreements have already been negotiated in good faith with the management of this town and the leaders of those unions and were given a 2-3-2 raise. It is appropriate for this body to approve this request at this time.

Councilor Ringius stated I too will be supporting all three. Other unions have received this 2-3-2 and tonight the agreements will be dealing with the Braintree Police Officers Association, Braintree Police Superior Officers Association and AFSCME. When these are negotiated we do so in fairness of all employees and we should recognize the work they put in. This is fair and equitable. I will be supporting all three tonight.

Councilor Ryan stated as just mentioned these are Police Department unions and I think we can say we support but tonight we vote on whether we support the Police Department or not. This is a very big way to do that. I will be voting for this positively.

Councilor O’Brien stated just to make it clear I support our Police Department and I think I have proven that with increases they have received in the budget on an annual basis as well as the expansion of the police forces while I have been in this seat.

2. **MOTION:** That the Town vote to amend the wage and salary classification schedules, as most recently amended by **transferring** the sum of \$118,783.22 for the purpose of funding a wage increase and other items as detailed in the Memorandum of Agreement (MOA) for the Braintree Police Superior Officers Association (BPSOA) effective July 1, 2019, and for this purpose, the sum of \$118,783.22 be transferred from the Human Resources/ Program 04 – Employee Benefits/ Benefits Reserve 5179 and further, that the Director of Municipal Finance is authorized to allocate said sums to and among the various accounts affected thereby in such amounts as are proper and required. In anticipation of approval of these agreements, funds were appropriated to a salary reserve account in the previously approved Fiscal Year 2020 budget.

Second: by Councilor Ryan

Councilor Ringius read the following Motion(s) for referral to the Committee of Ways & Means:

Refer to the Committee of Ways & Means

- 20 005 Mayor: Authorization to fund South Middle School subject to and contingent on an affirmative vote of the Town in favor of a debt exclusion or take up any action relative thereto.

Motion: by Councilor Ringius to refer Order 20 005 Mayor: Authorization to fund South Middle School subject to and contingent on an affirmative vote of the Town in favor of a debt exclusion or take up any action relative thereto to the Committee of Ways & Means

Second: by Councilor Ryan

Vote: For (9 – Boericke, Connors, Flaherty, Hume, Mackin, O’Brien, Ringius, Ryan, Sciascia),
Against (0), Absent (0), Abstain (0)

Councilor Mackin made a statement that giving residents only two months to make a decision on this debt exclusion is disappointing to say the least. The overall plans for new Middle Schools started over 3 years ago. The overall scope of South Middle School expanded in 2019. The \$86 million proposal was submitted. It should have been evident that there was no way the town could pay for this project within the towns existing revenue. At that time a Debt Exclusion should have been considered. It was stated in the paper the former Mayor would use existing revenue and not seek a Debt Exclusion. In October 2019 Order 19 043 was submitted. Tonight Order 19 043 withdrawn.

- 20 006 Mayor: Authorization to fund the replacement of roofs at the following schools: Highlands, Flaherty, Hollis, Liberty, Monatiquot and Morrison subject to and contingent on an affirmative vote of the Town in favor of a debt exclusion or take up any action relative thereto.

Motion: by Councilor Ringius to refer Order 20 006 Mayor: Authorization to fund the replacement of roofs at the following schools: Highlands, Flaherty, Hollis, Liberty, Monatiquot and Morrison subject to and contingent on an affirmative vote of the Town in favor of a debt exclusion or take up any action relative thereto to the Committee of Ways & Means

Second: by Councilor Ryan

Vote: For (9 – Boericke, Connors, Flaherty, Hume, Mackin, O’Brien, Ringius, Ryan, Sciascia),
Against (0), Absent (0), Abstain (0)

Councilor O’Brien stated for the residents to know we are not voting on these right now. We are only sending them to committee.

- 20 007 Mayor: Authorization to fund a feasibility study with respect to the redevelopment of Braintree High School, to be located at 128 Town Street, Braintree, Massachusetts subject to and contingent on an affirmative vote of the Town in favor of a debt exclusion or take up any action relative thereto.

Motion: by Councilor Ringius to refer Order 20 007 Mayor: Authorization to fund a feasibility study with respect to the redevelopment of Braintree High School, to be located at 128 Town Street, Braintree, Massachusetts subject to and contingent on an affirmative vote of the Town in favor of a debt exclusion or take up any action relative thereto to the Committee of Ways & Means

Second: by Councilor Ryan

Vote: For (9 – Boericke, Connors, Flaherty, Hume, Mackin, O’Brien, Ringius, Ryan, Sciascia),
Against (0), Absent (0), Abstain (0)

Councilor O’Brien stated for the Committee of Ways & Means when they begin deliberating this that this feasibility study has been turned down by the MSBA twice. Without MSBA involved we might be on the hook for the entire redevelopment of BHS.

Council President Hume mentioned the School Department has submitted a Statement of Interest on that. We do not know what the MSBA will say but it has been submitted.

- 20 008 Mayor: Authorization to fund the enhancement of security measures throughout the school system subject to and contingent on an affirmative vote of the Town in favor of a debt exclusion or take up any action relative thereto.

Second: by Councilor Ryan

Vote: For (9 – Boericke, Connors, Flaherty, Hume, Mackin, O’Brien, Ringius, Ryan, Sciascia),
Against (0), Absent (0), Abstain (0)

Councilor O’Brien stated recently the state released funds for security and BPS received \$78,754 according to the Mass.gov website.

Councilor Ringius stated this is just a referral to W&M. There was money authorized for security measures but this additional funds would bring each school up in security measures that would deem them safe in the society we now live in. This is an important discussion to have.

Councilor O’Brien stated I would recommend bringing in those who “man” the security cameras and be sure they are monitored securely.

- 20 009 Mayor: Approval for the calling of debt exclusion ballot questions at a special election or take up any action relative thereto.

ADJOURNMENT

It was unanimously voted to adjourn the meeting at 8:30p.m.

Respectfully submitted,

Susan M. Cimino, Clerk of the Council

Hello Braintree Town Council –

My son Luke Killeffer received a letter from Council President Shannon Hume congratulating him on earning the rank of Eagle Scout, and noting that the Town Council would like to recognize Luke's achievement by presenting him a certificate. Luke would like to attend the Town Council meeting on Tuesday, 2/25/2020 to receive that certificate, if that would be agreeable to the council and is not too late to get onto the agenda.

Luke's Eagle Scout project was a major renovation, cleanup, and repair of his Troop's charter organization's building (American Legion Post 112 of Abington, MA) attic and rotunda room, making a previously junk-filled space accessible and usable again. He removed dozens of tons of debris, junk, and did repairs to the floor and attic window, replaced a door, and repainted the rotunda room entrance – pictures can be seen here: <https://killeffer.com/luke-eagle-scout-project/> (write-up and information here: <https://killeffer.com/2020/01/11/luke-killeffers-eagle-scout-project/>).

Luke has served his troop in several capacities throughout his time in Boy Scouts, acting as Patrol Leader, Senior Patrol Leader, and most recently as Junior Assistant Scoutmaster, earned 31 merit badges, and was nominated and inducted in the Order of the Arrow, Scouting's Honor Society. Luke was given the opportunity to attend a high-adventure camp at Florida SeaBase in summer 2019, where he and several other Scouts spent a week on a primitive island in the Florida Keys, spent lots of time fishing, swimming, and learning about the local ecosystem. Luke paid the entire expense for his trip by working at Camp Resolute in Bolton, MA for the summer where he was kitchen staff and trading post staff.

Please let us know if the Town Council can present Luke with a certificate at the 2/25/2020 meeting, and thank you for all that you do for our town.

Best Regards,
David Killeffer

February 21, 2020

Ms. Shannon Hume, Council President
Town of Braintree
1 John F. Kennedy Memorial Drive
Braintree, MA 02184

Dear Ms. Hume:

We are pleased to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services CliftonLarsonAllen LLP (“CLA,” “we,” “us,” and “our”) will provide for Town of Braintree, Massachusetts (“you,” “your,” or “the Town”). The terms of our engagement will continue to apply until such time the agreement is changed in a communication that you and CLA both sign or terminated as permitted herein.

Daniel M Sullivan is responsible for the services identified in this agreement. He may be assisted by one or more of our authorized signers in the performance of the identified services.

Scope of professional services

CLA will provide Town Auditor services for the Town for the three year period beginning April 24, 2020 through April 23, 2023. Our services may consist of the following:

- Conduct performance, operational, I.T. and financial audits. Issue detailed audit reports to the Town Council, for the Council to develop an action plan on each audit issue.
- Work with the Town's Chief Financial Officer in the review of current internal controls and the design, development and implementation of enhanced controls.
- On an ongoing basis, examine and review incoming and outgoing cash flow of the Town by obtaining evidentiary documentation (e.g. receipts, purchase orders, invoices, etc.)
- Provide analysis to the Councilors on the Mayor's proposed operating and capital budgets. Review/analyze each financial measure proposed by the Mayor and provides a detailed recommendation to the Town Council.
- Conduct special projects and analyses as requested by the Councilors; for example, identifying cost components and cost drivers of various programs, expenditure trend analysis and comparative analyses of revenue and expenses.
- Assit in coordinating the annual third-party independent audit of the Town's books and records resulting in the certification of the Town's annual financial statement. Recommend to the Council the hiring of a third-party independent audit firm and the supporting criteria for the recommendation.
- Review the total Town cash reconciliation between the treasurer and the accountant and the data provided to the Dept. of Revenue. This includes all bank accounts, investments and trust funds.

- Conduct an annual physical inventory of any and all Town-owned assets. Reconciles the inventory to Town capital asset records and department procurements back up.
- Attend meetings as requested by the Town Council and the Ways and Means Sub Committee, especially during budget discussions.
- Act as the Town Council liaison with the administration regarding all financial issues (e.g. appropriation requests, expenditures, etc.) to be discussed during Town Council meetings.
- Review certain data prepared by the Assessor's office including the tax rate, recapitulation, tax levy limitation, tax burden shift worksheets, tax classifications and department of revenue estimated receipts and charges.
- When the proposed capital improvement program (CIP) is submitted to the Town Council by the Mayor, as required by the Charter, section 6-10, review the proposed CIP and make detailed recommendations to the Town Council.

Other fees

You also agree to compensate us for any time and expenses, including time and expenses of legal counsel, we may incur in responding to discovery requests or participating as a witness or otherwise in any legal, regulatory, or other proceedings that we are asked to respond to on your behalf.

Limitation of remedies

Our role is strictly limited to the engagement described in this letter, and we offer no assurance as to the results or ultimate outcomes of this engagement or of any decisions that you may make based on our communications with you. You agree that it is appropriate to limit the liability of CLA, its partners, principals, directors, officers,

employees, and agents (each a "CLA party") and that this limitation of remedies provision is governed by the laws of the state of Vermont, without giving effect to choice of law principles.

You further agree that you will not hold CLA or any other CLA party liable for any claim, cost, or damage, whether based on warranty, tort, contract, or other law, arising from or related to this agreement, the services provided under this agreement, the work product, or for any plans, actions, or results of this engagement, except to the extent authorized by this agreement. In no event shall any CLA party be liable to you for any indirect, special, incidental, consequential, punitive, or exemplary damages, or for loss of profits or loss of goodwill, costs, or attorney fees.

The exclusive remedy available to you shall be the right to pursue claims for actual damages that are directly caused by acts or omissions that are breaches by a CLA party of our duties owed under this engagement agreement, but any recovery on any such claim shall not exceed the portion of the total fees actually paid by you to CLA that corresponds to the particular service(s) that give(s) rise to the claim (i.e., the specific service(s) that a CLA party performed in such a manner as to cause CLA to be liable to you).

Time limitation

The nature of our services makes it difficult, with the passage of time, to gather and present evidence that fully and fairly establishes the facts underlying any dispute that may arise between you and any CLA party. The parties (you and CLA) agree that, notwithstanding any statute or law of limitations that might otherwise apply to a dispute, including one arising out of this agreement or the services performed under this agreement, for breach of contract or fiduciary duty, tort, fraud, misrepresentation or any other cause of action or remedy, any action or legal proceeding by you against any CLA party must be commenced separately within twelve (12) months ("Limitation Period") after the date when we deliver such services under this agreement to you on which the dispute is based, regardless of whether any CLA party provides other services for you under this agreement, or you shall be forever barred from commencing a lawsuit or obtaining any legal or equitable relief or recovery.

The Limitation Period applies and begins to run even if you have not suffered any damage or loss, or have not become aware of the existence or possible existence of a dispute.

Service satisfaction

If you are not completely satisfied with the services performed by CLA, we will take reasonable corrective action to satisfy you, and then if you are not completely satisfied, we will accept a portion of the fees that reflects your level of satisfaction. Upon full payment of our invoice, we will assume you are satisfied with our work and our service commitment will have been fulfilled.

To ensure that our services remain responsive to your needs, as well as fair to both parties, we will meet with you throughout the term of the agreement and, if necessary, revise or adjust the scope of the services to be provided and the fees to be charged.

Furthermore, it is understood that either party may terminate this agreement at any time, for any reason, by giving 30 days written notice to the other party. In that event, the provisions of this agreement shall continue to apply to all services rendered prior to termination. It is understood that any unpaid fees that are owed or invoices that are outstanding at the date of termination are to be paid in accordance with the terms of this agreement.

Other provisions

Except as permitted by the “Consent” section of this agreement, CLA will not disclose any confidential, proprietary, or privileged information of the Town to any persons without the authorization of Town management or unless required by law. This confidentiality provision does not prohibit us from disclosing your information to one or more of our affiliated companies in order to provide services that you have requested from us or from any such affiliated company. Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us.

We will be responsible for our own property and casualty, general liability, and workers compensation insurance, taxes, professional training, and other personnel costs related to the operation of our business.

When performing the services above, we will utilize the resources available at the Town to the extent practical to continue development of your personnel. During a portion of our work, we may require the use of your computers. We will try to give you advance notice and coordinate our use so it does not interfere with your employees.

The relationship of CLA with the Town shall be solely that of an independent contractor and nothing in this agreement shall be construed to create or imply any relationship of employment, agency, partnership, or any relationship other than an independent contractor.

If applicable, accounting standards and procedures will be suggested that are consistent with those normally utilized in a Town of your size and nature. We will require management to approve any changes in the application of accounting standards and procedures at the Town. Internal controls may be recommended relating to the safeguarding of the Town’s assets. If fraud is initiated by your employees or other service providers, your insurance is responsible for covering any losses.

The Town agrees that CLA will not be assuming any fiduciary responsibility on your behalf during the course of this engagement.

Employment provision

In the event that a CLA employee is solicited to work in a position as an employee of the Town, and in the event that the CLA employee accepts the position of employment with the Town, the following conditions will apply:

1. CLA will require a four-week notice period subsequent to the employee’s written notice to CLA, and
2. The Town will be required to pay an employment fee of \$60,000 for the senior and \$25,000 for the staff to CLA immediately upon receipt of this notice.

Re: Motion to Transfer Funds from the Human Resources Salary Reserve or take up any action relative thereto

President Hume, Clerk Casey and Clerk Cimino,

I am pleased to report that the Town has concluded negotiations with the Braintree Library Staff Association, MLSA Local 4928, AFT Massachusetts, AFL-CIO, (BLSA) and a collective bargaining agreement for the July 1, 2019 – June 30, 2022 term has been reached. The following item is to fund this union contract.

The agreement with the BLSA includes a two percent (2%) wage increase for the current fiscal year, a three percent (3%) increase in year two and a two percent (2%) increase in year three. These increases are consistent with the agreements reached with the UWUA, BPMA, BPSOA, BPOA and AFSCME and is a fair and affordable agreement that stays within the fiscal parameters that were originally requested and approved in the 2020 budget. As a result, funds for these contractual increases are to be transferred from the Town's salary reserve account in the current Human Resources budget.

The amounts to be transferred are as follows:

BLSA \$9,351.76 from Human Resources Salary Reserve

For your reference, attached you will find a detailed breakdown to support the transfer request, including the position, the budgeted amount, the value of the contractual increase and the transfer amount required to fulfill the FY2020 cost of living increase. Again, this is a request for a transfer of funds from the Human Resources Salary Reserve approved with the FY2020 budget and is not a request for any new fiscal appropriations.

Accordingly, your review and approval of the following motion is requested:

Motion

MOTION: That the Town vote to amend the wage and salary classification schedules, as most recently amended by transferring the sum of \$9,351.76 for the purpose of funding a wage increase as detailed in the Memorandum of Agreement (MOA) for the Braintree Library Staff Association, MLSA Local 4928, AFT Massachusetts, AFL-CIO, (BLSA) effective July 1, 2019, and for this purpose, the sum of \$9,351.76 be transferred from the Human Resources/ Program 04 – Employee Benefits/ Benefits Reserve 5179 and further, that the Director of Municipal Finance is authorized to allocate said sums to and among the various accounts affected thereby in such amounts as are proper and required. In anticipation of approval of these agreements, funds were appropriated to a salary reserve account in the previously approved Fiscal Year 2020 budget.

Since these requests involve the appropriation of funds within the fiscal year 2020 budget, advertising and a public hearing are required under the sections 2-9 and 6-7 of the Town Charter.

Pursuant to my authority as Mayor under Section 3-3 of the Braintree Town Charter I hereby appoint Anne Stuart, of 10 Azel Road to the Braintree Cultural Council.

I appreciate your review of this appointment and request favorable action. Attached is Anne Stuart's resume.

Dear Braintree Cultural Council Members:

As a writer, storyteller, artist, instructor, and long-time Braintree resident, I'm most interested in serving on the Braintree Cultural Council.

By profession, I'm a writer and editor. After long career as a journalist for daily newspapers and national magazines, I switched to higher education; I now work in communications for MIT. I also teach graduate-level communications courses for Regis College and Southern New Hampshire University.

By avocation, I'm a creative writer, a mixed-media artist, and, most recently, a standup storyteller. Following are snapshots from each activity.

- **Creative Writing:** I'm a founding faculty member at the Braintree Community Arts Center, where I've been running regular writing "retreats." These are half-day events where writers of all levels and in all genres gather to create, share, and comment on each other's work. We've developed a small but lively group of regulars, including some who have published their work, and we still attract newcomers as well. We hope to schedule a public reading of our members' works sometime in 2020.

I've also taught writing workshops at the Boston, Brookline, and Cambridge Centers for Adult Education since the late 1980s, and I've spoken or taught at writing conferences nationwide. For several years, I organized weekend creative-writing retreats at venues around New England as well.

- **Mixed-Media Art:** Since 2007, I've been the volunteer organizer for the New England Mixed-Media Meetup, a group whose members also gather regularly to paint, draw, collage, and work on art journals and a wide range of other projects. As a group, we participated in an international exhibition; individual

members have gone on to show or sell their work in local galleries and at art fairs. For several years, several friends and I rented studio space west of Boston, where we offered art and writing workshops and weekend art retreats.

- **Storytelling:** Most recently, I've been writing and telling true stories along the lines of NPR's "The Moth Radio Hour." In the past year-plus, I've appeared in live shows in Boston, Cambridge, Hartford, and Lenox. Earlier this year, I applied for and received a grant from the MIT Council on the Arts to bring a master storyteller to campus. He and I ran two half-day workshops that were available free to anyone in the MIT community interested in learning to how to tell true stories live onstage. About 100 people participated, and we have scheduled several follow-up practice sessions ahead of a live show planned for next spring.

I hope that's enough to demonstrate that I'm a lifelong lover of, and participant in, a variety of arts and cultural activities. Because my husband and I have lived in Braintree for 30 years, I'm especially interested in being part of our town's Cultural Council. Please let me know if you need an official resume, recommendations, or any other information from or about me.

Best regards,

Anne Stuart

Re: Superintendent of Schools: Authorization to execute Memorandum of Understanding with Massachusetts Executive Office of Health and Human Services to obtain Federal reimbursement for transportation costs for children in foster care, or take up any action relative thereto.

Date: February 4, 2020

RECEIVED TOWN CLERK
BRAINTREE, MA
2020 FEB - 7 PM 4:28

President Hume, Braintree Town Councilors,

Pursuant to the federal "Every Student Succeeds Act," a school system may apply for federal reimbursement of a portion of costs that are incurred by the school system to transport children in foster care from their current homes in other municipalities to the schools in which they were enrolled at the time of their placement in foster care. The reimbursement program is administered in Massachusetts by the Executive Office of Health and Human Services, the Department of Elementary and Secondary Education, and the Department of Children and Families.

We just received word last Wednesday, January 29, 2020, that in order to receive the available federal funds, Braintree is required to enter into a Memorandum of Understanding (MOU) with those state agencies. Therefore, the Braintree School Department is requesting that the Town Council approve a motion authorizing the School Department to execute the attached MOU. The Town Council's authorization is sought pursuant to M.G.L. c. 44 §70, which provides, in part, that:

... any city or town may, by vote of its town meeting, town council or city council authorize the collector, treasurer or other department head, with the approval of the selectmen, town manager or mayor, to enter into contracts to identify and pursue federal government reimbursements for, or other revenues or available resources that may be generated by, programs or activities being carried out by the municipality, and to provide that payments for services under such contracts may be made from the reimbursements or revenues recovered as a result of the services performed without appropriation of such revenues.

In order to be eligible to obtain available reimbursement funds for the fourth quarter of FY2019 (i.e., April-June 2019), the School Department must execute the MOU and submit the reimbursement documentation by March 1, 2020. Our expenses for the fourth quarter totaled \$16,260; it is not yet clear how much we will be reimbursed.

Accordingly, your review and approval of the following motion is requested:

Motion: To authorize the Superintendent of the Braintree Public School Department to enter into a Memorandum of Understanding (MOU) with the Executive Office of Health and Human Services, the Department of Elementary and Secondary Education, and the Department of Children and Families, in order to obtain Federal Title IV-E reimbursements for costs incurred by the Braintree Public School Department for foster care transportation, and to provide that payments for such foster care transportation costs may be made from the reimbursements that are received under the MOU, without appropriation of said reimbursements, pursuant to M.G.L. Chapter 44, Section 70.

1. Subject to (a) the City/Town/Regional School District, hereinafter, Local Education Agency’s (LEA) voluntary compliance, as determined by EOHHS, with all submission and other requirements established by EOHHS, DESE, and DCF, hereto referred to as “the Commonwealth”; (b) all other state approvals; (c) federal approval of all necessary payment and funding methods and payment limits; and (d) the availability of Title IV-E

FFP, the Commonwealth will pay the LEA an amount equal to the final Title IV-E FFP amount received by the Commonwealth for the allowable Certification of Qualifying Expenditures of the LEA for that state fiscal year, less any contingency fees and other administrative costs.

2. The LEA shall submit to the DESE no later than October 1 of each year, a cost report and Certification of Qualifying Expenditures on a form designated by the Commonwealth and completed in accordance with the Commonwealth's instructions and signed by an officer who is an authorized signatory of the unit of government providing the non-federal share of Title IV-E allowable transportation expenditures associated with transporting children to/from his/her School of Origin.
3. Said certification shall provide that the LEA's reported expenditures are allowable costs for children in foster care who are covered under ESSA and exclude the following costs:
 - a. Any Individualized Education Program (IEP) transportation costs incurred for a child who is enrolled in MassHealth where transportation services are required under the IEP;
 - b. Any costs for children and youth considered homeless as defined by the McKinney-Vento Homeless Assistance Act's, 42 USC 11434(a)(2);
 - c. Participate in METCO as set forth in M.G.L. c. 76, § 12A; or
 - d. Any other federally funded form of transportation services.
4. The LEA shall comply with all Title IV-E transportation administrative and billing requirements set forth in this MOU or incorporated by reference and applicable laws, regulations or subregulatory guidance regarding these requirements.
5. The LEA must repay to the Commonwealth any amounts resulting from any overpayment, erroneous reporting, administrative fine, or otherwise, in accordance with this MOU, DESE's rules and regulations, and all other applicable state and federal laws.
6. In the event that a review by the Commonwealth, ACF, or any other state and federal oversight entity reveals that the LEA's claim resulted in a duplicate payment under one or more state or federal programs or that LEA did not follow the requirements in accordance with the terms specified herein or applicable state or federal laws for any fiscal year the Commonwealth retains the right to recover payments from the LEA for that fiscal year(s).
7. At any point during the MOU, if the Commonwealth, in its sole judgment, identifies any deficiency in the LEA's performance under the MOU, the Commonwealth may require the LEA to develop a corrective action plan to correct such deficiency. The corrective action plan must, at a minimum:
 - a. identify each deficiency and its corresponding cause;
 - b. describe corrective measures to be taken to address each deficiency and its cause;
 - c. provide a time frame for completion of each corrective measure;

- d. describe the target outcome or goal of each corrective measure (i.e., how the action taken will be deemed successful);
- e. describe the documentation to be submitted to the Commonwealth as evidence of success with respect to each corrective measure; and
- f. identify the person responsible for each corrective measure, and any other information specified by the Commonwealth.

The LEA shall submit any such corrective action plan to the Commonwealth and shall implement such corrective action plan only as approved or modified by the Commonwealth. Under such corrective action plan, the Commonwealth may require the LEA to (1) alter the manner or method in which the LEA performs any MOU responsibilities, and (2) implement any other action that the Commonwealth may deem appropriate.

The LEA's failure to implement any corrective action plan may, in the sole discretion of the Commonwealth, be considered breach of the MOU, subject to any and all agreement remedies including, but not limited to, termination of the MOU.

- 8. Any costs incurred by the Commonwealth to administer the LEA's participation in the ESSA transportation claiming program, including contingency fees payable to the Commonwealth contractors, if necessary, will be offset against amounts of federal revenue payable to the LEA under an ongoing MOU or withheld in a special payment arrangement in the case of MOU termination.
- 9. The LEA shall immediately disclose to the Commonwealth any non-compliance by the LEA with any provision of this MOU, or any state or federal law or regulation governing this MOU.
- 10. In the event that the Commonwealth receives written notification of a deferral or disallowance of Title IV-E FFP claimed on behalf of the LEA's services through the Certification of Qualifying Expenditures, receives written notification of an audit finding requiring the return of any such Title IV-E FFP, or otherwise reasonably determines that any such Title IV-E FFP will be deferred or disallowed if claimed, the Commonwealth shall so notify the LEA. At any time after the Commonwealth's receipt of such notice or other information, it may require the LEA to remit to the Commonwealth the amount of payment(s) under review, pending final disposition of such review. The Commonwealth shall specify such amount in a written remittance notice to the LEA and, within 30 days of the date of such remittance notice, the LEA shall repay to the Commonwealth an amount equal to the amount specified. In the absence of such a remittance notice, the LEA may, on its own initiative remit such amount to the Commonwealth. In the event the LEA for any reason retains payment amounts subject to deferral, disallowance, or audit findings as described herein, the LEA shall be liable for such amounts plus any interest assessed by the federal government on the Commonwealth. The Commonwealth shall provide to the LEA written notification of the amount of any federal interest assessed on

payment amounts retained by the LEA. In the event that the final disposition of the deferral, disallowance, or audit described herein requires the Commonwealth to return an amount previously paid by the LEA to the Commonwealth under these provisions, no such payment due to the LEA shall constitute a late payment or otherwise obligate the Commonwealth to pay to the LEA any interest on such payment. Any remittance pursuant to the provisions of the paragraph shall be in accordance with all applicable state law.

11. The LEA must maintain records that are accurate and sufficiently detailed to substantiate the legal, financial, and statistical information reported on the Certification of Qualifying Expenditure form. Re: FY 2020 Supplemental Appropriation

RECEIVED TOWN CLERK
BRAintree, MA
2020 FEB 20 PM 1:19

As I previously stated, a priority of my administration is to move forward with an updated master plan for the Town of Braintree. To move this promise forward I am presenting for your approval the funding required for this project in the amount of \$200,000.00.

To fund this request I propose transferring the unexpended sum of \$64,492.20 from the article balance CO 14 021(1) Updating Zoning Ordinance and the balance of \$135,507.80 is to come from a transfer from FY 2019 Certified Free Cash.

Accordingly, your review and approval of the following motion is requested:

Motion: That the amount of \$64,492.20 be transferred from the Planning and Community Development Department Updating Zoning Ordinance article and \$135,507.80 be transferred from FY 2019 Certified Free Cash for a total of \$200,000.00 to Planning and Community Development Department Master Plan article.

Since these requests involve the appropriation of funds within the fiscal year 2020 budget, advertising and a public hearing is required under the sections 2-9 and 6-7 of the Town Charter.
