Councilor Boericke, Chairwoman of the Committee of Ways & Means outlined the purpose of tonight's meeting stating the Committee of Ways & Means will be reviewing the information from the Mayor's office on the Debt Exclusion and we will making a recommendation to the full Council. We will have a full Public Hearing at the Town Council meeting tonight at 7:30pm (Tuesday, February 4, 2020). Tonight is not about support for a debt exclusion. It is whether or not voters should have an opportunity to cast their vote whether for or against and whether or not the town should be authorized to borrow the funds for the projects only if the vote is affirmative in favor at the Special Election on March 28, 2020.

The idea was it would accumulate money over several fiscal years that could cover some borrowing for both East and South.

Councilor Connors asked if a November/December move-in would have its challenges.

- **20 016 Council President: Re-Appointment Town Auditor or take up any action relative thereto**

Shawn McGoldrick and Dan Sullivan, Town Auditors were present and answered questions about the new 3-year contract and price points. The Town Auditors have been working for the Town, appointed by the Town Council for the past 3 years. They are now familiar with the Town and what needs to be done and what they can better assist with.

Councilor Ryan would like the \$50 an hour rate be added back on to the contract for times those individuals could possibly do the work required instead of a higher level individual that would cost the town more money.

Dan Sullivan, Town Auditor stated individuals can do the work at lower rates now with the assistance of higher pay individuals to help with cost savings due to the knowledge of the Town at this time. Councilor Ryan would like the pay increases each year be reduced.

Dan Sullivan, Town Auditor stated he would like to have further discussion on these rates. Dan Sullivan stated the services we will be able to provide will be so much more now that we are familiar with the Town.

Councilor Connors asked for Commercial rates.

Councilor Flaherty asked how the determination is made on what person/rate will be doing the designated work.

Shawn McGoldrick stated when work is assigned it is usually determined by Dan or myself who should take the lead on it by availability, expertise, etc. I feel we know our staff and who can best get the work done.

Dan Sullivan stated we want to get the results done and the most cost effective as possible.

Councilor Sciascia stated he is wondering why we only have one contract and price point presented to us with nothing to compare it to in order to make a decision.

Shawn McGoldrick replied that three years ago there were about 13 candidates for this position along with 2 other firms via a RFP. I do believe the Council made the right decision to bring us in. I know the Council had all the rates at the time and chose us.

Councilor Ryan stated I have worked with CLA for the past three years and I think they do a great job.

Councilor Boericke asked about the fees and timelines noting the contract is stating \$80,000 per year when the current yearly maximum is \$74,000. In my opinion we should have a range of expertise in which to draw. I do realize your expertise is in Municipal which is incredibly important to this body and Town.

Councilor Ryan made a motion to TABLE to the February 25, 2020 meeting.

MOTION: Pursuant to Section 2-8 (A) of the Charter of the Town of Braintree the Town Council appoints Clifton Larson Allen as Town Auditor for a three year contract effective April 24, 2020 through April 23, 2023.
