**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Honorable Mayor and the Town Council
Town of Braintree, Massachusetts

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Town of Braintree, Massachusetts, as of and for the year ended June 30, 2008 (December 31, 2007 for the Braintree Contributory Retirement System and the Braintree Electric Light Department), which collectively comprise the Town's basic financial statements and have issued our report thereon dated February 27, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Other auditors audited the financial statements of the Braintree Electric Light Department, as described in our report on the Town of Braintree, Massachusetts' financial statements. The financial statements of the Braintree Electric Light Department were not audited in accordance with *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Town of Braintree's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Braintree's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Town of Braintree's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Town of Braintree's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Town of Braintree's financial statements that is more than inconsequential will not be prevented or detected by the Town of Braintree's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Town of Braintree's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses, as described above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town of Braintree's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. We noted certain other matters that we reported to management of the Town of Braintree's in a separate letter dated February 27, 2009.

This report is intended solely for the information and use of management of the Town of Braintree, Massachusetts and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in cursive script that reads "Bowers + Sullivan".

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Honorable Mayor and the Town Council
Town of Braintree, Massachusetts

Compliance

We have audited the compliance of the Town of Braintree, Massachusetts, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the fiscal year ended June 30, 2008. The Town of Braintree's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Town of Braintree's management. Our responsibility is to express an opinion on the Town of Braintree's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Town of Braintree's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Town of Braintree's compliance with those requirements.

In our opinion, the Town of Braintree, Massachusetts, complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the fiscal year ended June 30, 2008.

Internal Control Over Compliance

The management of The Town of Braintree, Massachusetts, is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered Town of Braintree's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Town of Braintree's internal control over compliance.

A *control deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures of Federal Awards

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Braintree, Massachusetts, as of and for the fiscal year ended June 30, 2008 (December 31, 2007 for the Braintree Contributory Retirement System and the Braintree Electric Light Department), and have issued our report thereon dated February 27, 2009. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Town of Braintree, Massachusetts', basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

This report is intended solely for the use of management of the Town of Braintree, Massachusetts, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

Wakefield, Massachusetts

See notes to schedule of expenditures of federal awards.

Note 1 – Definition of Reporting Entity

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all federal financial assistance programs of the Town of Braintree, Massachusetts. All federal financial assistance received directly from federal agencies as well as federal financial assistance passed through other governmental agencies is included on the schedule.

Note 2 – Significant Accounting Policies

The accounting and reporting policies of the Town of Braintree, Massachusetts, are set forth below:

- (a) Basis of Presentation - The accompanying Schedule of Expenditures of Federal Awards is presented on the cash basis of accounting. Accordingly, grant revenues are recognized when received and expenditures when paid.
- (b) School Lunch Program - Program expenditures represent federal reimbursement for meals provided during the fiscal year.

Note 3 – Program Clusters

In accordance with Subpart A §.105 of OMB Circular No. A-133, Audits of States, Local Governments and Non Profit Organizations, certain programs have been clustered in determining major programs. The following represents the clustered programs applicable to the Town of Braintree:

<u>Name of Cluster/Program</u>	<u>CFDA Number</u>
Child Nutrition Cluster	
School Breakfast Program	10.553
National School Lunch Program	10.555
Special Milk Program for Children	10.556
Summer Food Service Program for Children	10.559
Special Education Cluster	
Special Education Grants to States	84.027
Special Education Preschool Grants	84.173

Special Education Preschool Grants	84.173

8. The threshold for distinguishing Types A and B programs was \$300,000.
9. The Town of Braintree, Massachusetts was not determined to be a low-risk auditee.

B. Findings-Financial Statements Audit

None

C. Findings and Questioned Costs-Major Federal Award Program Audit

None

D. Prior Year Audit Findings and Questioned Costs

Material Weaknesses

07-1; Inadequate Design of Internal Control over the Preparation of Financial Statements being Audited

Current Status: During fiscal year 2008 the Town implemented a new form of government under a newly elected Mayor and Town Council. Significant personnel changes were made that affected all aspects of the Town's financial management, internal controls, and financial reporting responsibilities. We consider this matter to be resolved.
