

September 16, 2022

Town of Weymouth  
75 Middle Street  
Weymouth, MA 02189

RE: *Notification of Anticipated Sound Impacts  
Algonquin Gas Transmission, LLC  
Weymouth Compressor Station (Transmittal No. X266786)*

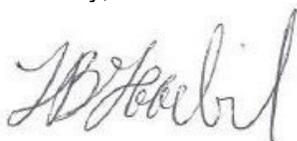

To Whom It May Concern:

Algonquin Gas Transmission, LLC (Algonquin) was issued Air Quality Plan Approval - Transmittal No. X266786 (the Plan Approval) by the Massachusetts Department of Environmental Protection (MassDEP) on August 26, 2019. The Plan Approval authorizes the construction and operation of the Weymouth Compressor Station, 54 Bridge Street, North Weymouth, Massachusetts.

In accordance with Section 4.A., Table 12, Condition 7 of the Plan Approval for the Weymouth Compressor Station, Algonquin is required to notify the Town of Weymouth no later than 72 hours prior to any potential offsite sound impacts at the facility.

Algonquin will operate the emergency generator to meet routine readiness testing and standard maintenance requirements on September 19<sup>th</sup> and will be conducting planned maintenance at the Weymouth Compressor Station from September 20 through September 30, 2022. For the duration of the activities associated with this work, there may be intermittent off-site sound impacts. Additionally, from September 20 through September 23, 2022, Algonquin is planning to operate a vacuum truck. The work is scheduled to be completed during the daytime, but no later than early evening, and efforts will be made to reduce sound impacts to the extent possible. Algonquin will notify the Town of any changes to the above schedule.

Sincerely,

L. Barry Goodrich  
Supervisor, Environment
