To install and maintain approximately 385 feet, more or less of 2 inch gas main in Bradley Road, Braintree.

Petition #09-031 was unanimously approved by Council with the following conditions:

Petitions #09-030, 09-031, 09-032, 09-033 All four petitions show gas connections in close proximity to the BELD **115kv** oil filled line in Cleveland Ave. The contractor shall notify BELD 48 hours prior to start of excavation.

09-030 through 09-033 – **Cabot Avenue, Bradley Road, Coolidge Avenue, and Harding Avenue** are all part of the “Cleveland Avenue Area Special Project” which is getting water improvements this summer and roadway improvements next year. The roadways in this area are not in great condition, and will be dug up more, then reconstructed so these replacements **may be approved with our “standard” repair specifications**. Any work on these streets that must be done at their intersections with Cleveland Avenue must be completed before September 4th, 2009 to facilitate already-approved plans by BELD that require there be no underground utility work in that area through the Fall and Winter.
