

TOWN OF BRAINTREE

IN COUNCIL

ORDER NO: **09-036**

DATE: MAY 27, 2009

ORDERED: NATIONAL GRID

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 360 feet, more or less of 2 inch gas main in Capen Road, Braintree.

From the existing 2 inch gas main in Capen Road @ Pleasant Street Northwesterly to replace and abandon the existing 2 inch gas main in Capen Road, Braintree.

Petition #09-036 was unanimously approved by Council with the following conditions:

09-036 – **Capen Road** is scheduled to be reconstructed this year as the final repair for a water main installation by Water & Sewer Division crews last year. We are waiting for the gas main work to be completed. Much of the proposed work though, is not in the reconstruction area but rather in the dirt road section between Bushnell Terrace and Pleasant Street, where through traffic is generally discouraged. **Within the limits of the reconstruction, the main replacement can be approved with our “standard” specifications. Outside of the reconstruction limits, the trench and area should be restored to its pre-gas-main-construction condition.**

Passed in Council – June 16, 2009
