

NEW

FOR ALL BRAINTREE RESIDENTS

CHANGES TO MATTRESS & BOX SPRING COLLECTION

EFFECTIVE JULY 1, 2024

The temporary collection program begun in 2023 (that included the bagging of mattresses) is being modified, so that those residents requiring disposal after June 30, 2024 should contract for the service through private companies set up to handle these items.

Any mattresses (including box springs) for which you purchased a bag under the current curbside program must be scheduled for collection prior to July 1, 2024....
