

Braintree Town Council

ORDER NO: 19 021

DATE FILED: JUNE 18, 2019

REQUEST OF: NATIONAL GRID

**National Grid hereby respectfully requests your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and of the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:**

To Install and maintain approximately 2100 feet of 8 inch plastic gas main from the existing 6 inch just off Granite Street to the end of Campanelli Drive to service users at building number 175 with staff recommendations:

**BELD:** BELD has no underground electric utility conflicts or special requirements within the proposed scope of work.

**DPW:** Campanelli Drive is under the moratorium enacted by the Town in 2015 having been re-paved and microsurfaced in 2017. For longitudinal trenches in a road resurfaced as Campanelli Drive was the moratorium is 10 years. Road openings may be made after 2027 without waiving the ordinance. Since the street is under the moratorium, I recommend that the petition not be granted. However, if the Council finds extenuating circumstances and there is no viable option to meet the several users' needs without excavating the recently resurfaced street, I would recommend that the petition for this road opening only be granted under the normal conditions, with emphasis on the new main not occupying any part of the trench now occupied by the existing water mains and also on the condition that after maintaining the temporary trench through one winter but within one year of placement of the temporary trench repair, the permanent repair be full-width mill and overlay of Campanelli Drive for the full length of the excavation. (Council approved an amendment to include paving from crown to curb with infrared at the center). We also recommend that the following requirement be added to the permit, if it is to be granted:

Braintree Town Council

ORDER NO: 19 021

PAGE 2 OF 2

"Neither National Grid nor any contractor is authorized to close any street or to close a direction of travel to facilitate their work without authorization from the Director of the Department of Public Works or the Highway Superintendent. The Chief of Police can also authorize a closure for a police or fire emergency. Construction zone traffic safety issues are to be addressed by using appropriate traffic control signs and devices and the use of trained traffic control personnel to safely guide traffic through the work zone. If a closure is authorized by the DPW, it shall not be implemented until signs and traffic control officers (where needed) are properly in place in conformity with the written plan prepared by the contractor's engineer and approved by the DPW and the Police Department."

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

# 1 9 - 0 2 1

**Town of Braintree / Town Council:**

The Nationalgrid hereby respectfully requests your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways and places of the **Town of Braintree** and of the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

**To install and maintain approximately 2100 feet more or less of 8 inch gas main in Campanelli Dr., Braintree; from the existing 6 inch gas main in Granite St. northwesterly to the end of main at building #175. In order to provide a new gas service to #175 Campanelli Dr.**

**Town of Braintree / Town Council:**

IT IS HEREBY ORDERED that the locations of the mains of the Nationalgrid for the transmission and distribution of gas in and under the public streets, lanes, highways and places of the **Town of Braintree** substantially as described in the petition date June 6, 2019 attached hereto and hereby made a part hereof, and of the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and/or accomplish the objects of said Company, and the digging up and opening the ground to lay or place same, are hereby consented to and approved.

The said Nationalgrid shall comply with all applicable provisions of law and ordinances of the **Town of Braintree** applicable to the enjoyment of said locations and rights.

Date this 17th day of July, 2019.

I hereby certify that the foregoing order was duly adopted by the Town Council of the Town of Braintree, MA on the 16th day of July, 2019.

*w. the conditions as voted under order 19-021*
