**Considerations
and Guidelines**

The purpose of this policy is to establish guidelines for the proper operation of fixed, mobile, and portable criminal justice information system (CJIS) workstations, and to ensure the lawful handling and disposal of Criminal Offender Record Information (CORI) information generated from or maintained within the CJIS network.

Policy

It is the policy of the department that:

CJIS SYSTEM ACCESS:

- A. The Department shall keep/maintain direct terminal access to the Criminal Justice Information System (CJIS).
- B. The use of a CJIS workstation is for criminal justice purposes only. These include the commission of official criminal justice duties (i.e. investigations, bookings, warrant entry etc.), qualifying an individual for employment within a criminal justice agency, and qualifying an individual to determine his/her eligibility to possess a firearms license. It cannot be used for non-criminal purposes including transactions conducted for public and private educational establishments, municipal agencies, town government officials, etc. such use is strictly prohibited and is punishable by a fine, suspension of services and/or incarceration.
- C. Each operator shall immediately report any damage to a

CJIS workstation to one's supervisor. It is this agency's responsibility to report an inoperable CJIS workstation to DCJIS.

- D. No CJIS equipment including CJIS workstations, mobile data workstations or personal digital assistant/palm pilots shall be modified or altered in any way from its set up configuration, unless it is done by the DCJIS or the device's contract vendor, and then only with notification to, and concurrence of, the DCJIS.
- E. Only authorized personnel will be allowed remote access to department workstations and only authorized connections with proper access logging will be used.
- F. Any and all CJIS information passing through a network segment will be protected pursuant to FBI CJIS Security Policy.

CJIS SYSTEM ACCESS [82.1.7]:

- A. All operators of CJIS workstations shall be trained, tested, and certified under procedures set forth by the DCJIS before using a workstation and shall be re-certified biannually thereafter.
- B. Each CJIS workstation operator shall use one's assigned password when accessing the CJIS network and shall not give this password to anyone under any circumstances. No one shall use the network under another individual's password. Only one operator will be able to sign on the middle monitor.
- C. All operators should log on to the network at the beginning of one's work day and should log off at the end of one's work day to ensure that transactions are logged under the appropriate user name. This will prevent one operator from being held responsible for another operator's CJIS transactions. Appropriate care will be taken to not allow any unauthorized access to CJIS.
- D. Agencies entering records into CJIS must monitor their CJIS workstation(s) and printer(s) twenty-four (24) hours a day, seven (7) days a week, fifty-two (52) weeks a year, to perform hit confirmations.
- E. Authorized personnel shall protect and control electronic

and physical access to CJI while at rest and in transit.

- F. The Department has implemented appropriate safeguards for protecting CJI to limit potential mishandling or loss while being stored, accessed, or transported. Any inadvertent or inappropriate CJI disclosure and/or use must be reported to the on-duty supervisor.
- G. All personnel must follow the established procedures for securely handling, transporting, and storing media.
- H. When no longer usable, hard drives, diskettes, tape cartridges, CDs, ribbons, hard copies, print-outs, and other similar items used to process, store, and/or transmit CJI and classified and sensitive data shall be properly disposed of in accordance with the measures described herein.

FINGERPRINT REQUIREMENTS:

- A. The CJIS User Agreement and the FBI CJIS Security Policy require each CJIS agency to conduct fingerprint-based criminal record checks on all personnel prior to hire and at least once every two years thereafter. In addition, agencies must conduct fingerprint-based criminal record checks on all other individuals who have unescorted access to secure (non-public) areas of the agency prior to allowing access. These individuals include city/town IT personnel, contractors, vendors, custodians, and volunteers.
- B. These background check requests are submitted either as criminal justice employment checks (for all employees of the department) or as criminal justice checks (all non-employees) and can be done on your live-scan fingerprinting device. There is no fee for these checks.
- C. Important: with regard to fingerprint-based background checks conducted on non-department personnel, no information received in response to a fingerprint-based check may be disseminated to the individual's actual employer.
- D. If a felony conviction of any kind exists, an employee is not to be allowed access to the CJIS or to any information

derived from the CJIS, and the Department is required to notify the DCJIS, in writing, as soon as practical. In the case of a non-employee, the agency must deny unescorted access to the individual.

- E. If a misdemeanor conviction exists, the Department must notify the DCJIS and must request a waiver before the employee is allowed to access the CJIS or CJI, or before the non-employee is provided unescorted access to secure areas.
- F. A part of their respective auditing programs, both the DCJIS and the FBI will check to ensure that the appropriate fingerprint-based background checks have been completed by the agency being audited. An agency which has not conducted these fingerprint-based checks as required will be found out-of-compliance in this area.
- G. Should there be any questions about these fingerprinting requirements, contact the CJIS Support Services Unit by phone at 617.660.4710 or via email at cjis.support@state.ma.us.

4. The Massachusetts Department of Criminal Justice Information Services through manuals, training, CJIS Administrative Messages, information contained on the CJIS Extranet, and information disseminated at the Regional Working Groups meetings.

A. CORI OVERVIEW

- A. The Massachusetts Public Records Law (G.L. c. 4, § 7) gives the public the right of access to most records maintained by a government agency; however, CORI information, including that which is obtained from the CJIS network is exempt from public access under the CORI Law (G.L. c. 6, §§ 167-178).
- B. CORI is data compiled by a criminal justice agency concerning an identifiable individual and which relates to the nature of an arrest, criminal charge, judicial proceeding, incarceration, rehabilitation or release, and may include a juvenile tried as an adult.
- C. Under 803 CMR, only those officials and employees of criminal justice agencies, as determined by the administrative heads of such agencies, shall have access to CORI. Criminal justice employees are eligible to receive CORI as needed during the course of their official duties.
- D. Reasons for conducting a board of probation (BOP) check may include, but is not limited to:
 - An investigation

- An arrest
 - An individual applying for criminal justice employment
 - Local licensing purposes (i.e. where the police department is the licensing agency) and door-to-door sales people where the municipality requires the police department to regulate, and
 - Firearms licensing purposes.
- E. The officer may share CORI with other officers or criminal justice agencies when an investigation is being conducted; however, the dissemination must be logged in the agency's secondary dissemination log with the date, time, individual checked, purpose, officer's name, and the agency and agent to whom the information was given.
- F. A local municipal agency seeking CORI must apply to the DCJIS for CORI certification. If certified by the DCJIS, that agency shall submit all requests for CORI to the DCJIS.
- G. Anyone requesting a copy of his or her own CORI shall be given a form to request such information from the DCJIS, or be directed to the DCJIS Web site, www.mass.gov/cjis, to print the form.
- H. Many non-criminal justice agencies have been authorized by the DCJIS to receive CORI information under G.L. c. 172 (a). Such authorization was given to these agencies in writing, and a copy of this letter should be provided by these requesting agencies to the agency or police department that will be providing the requested CORI information.
- I. All other requests for CORI shall be referred to the Chief's office.
- J. To lawfully obtain CORI and to then furnish the information to any person or agency not authorized to receive is unlawful and may result in criminal and/or civil penalties (G.L. c. 6, § 177 and § 178).
- K. All complaints of CORI being improperly accessed or disseminated shall be handled as a citizen complaint and

the Chief shall be advised of the matter. The complainant shall also be advised that they may file a complaint with the DCJIS by calling (617) 660-4760.

- A. CORI checks will only be conducted as authorized by the DCJIS and M.G.L. c. 6, §.172, and only after a CORI Acknowledgement Form has been completed.
- B. With the exception of screening for the rental or leasing of housing, if a new CORI check is to be made on a subject within a year of his/her signing of the CORI Acknowledgement Form, the subject shall be given seventy two (72) hours' notice that a new CORI check will be conducted.
- C. If a requestor is screening for the rental or leasing of housing, a CORI Acknowledgement Form shall be completed for each and every subsequent CORI check.

2. ACCESS TO CORI

- A. All CORI obtained from the DCJIS is confidential, and access to the information must be limited to those individuals who have a "need to know." - A. If a criminal record is received from the DCJIS, the information is to be compared with the information on the CORI Acknowledgement Form and any other identifying information provided by the applicant to ensure the record belongs to the applicant.

If the information in the CORI record provided does not exactly match the identification information provided by the applicant, a determination is to be made by an individual authorized to make such determinations based on a comparison of the CORI record and documents provided by the applicant.

6. INQUIRING ABOUT CRIMINAL HISTORY

- A. In connection with any decision regarding employment, volunteer opportunities, housing, or professional licensing, the subject shall be provided with a copy of the criminal history record, whether obtained from the DCJIS or from any other source, prior to questioning the subject about his or her criminal history. The subject shall be provided with a copy of the organization's CORI policy and a copy of the criminal history. The source(s) of the criminal history will also be revealed. The subject will then be provided with an opportunity to dispute the accuracy of the CORI record.
