

BRAINTREE LOCAL RAPID RECOVERY PLAN

Please join the Town of Braintree and the Metropolitan Area Planning Council for a community presentation on the Braintree Local Rapid Recovery Plan focusing on the recovery of the South Braintree Square.

We will be sharing the project background, results of the business owner survey that was conducted in April 2021 as well as additional data that was collected during the process. The next phase of the project will be to develop recommendations for the study area.
