

TOWN OF BRAINTREE

IN COUNCIL

ORDER NO: 11-017

DATE: April 26, 2011

ORDERED: NATIONAL GRID

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 190 feet, more or less of 2 inch gas main in Pleasant Street, Braintree.

From the existing 2 inch gas main in School Street Westerly to 5 Pleasant, Braintree. All of which to replace and abandon the existing 1 ½ and 2 inch gas mains in Pleasant, Braintree

Petition #11 017 was unanimously approved by Council with the following conditions:

DPW: Pleasant Street between Church Street and School Street is in this year's water system rehabilitation program, and we had requested early action, so it is good that this work is now being done. It is our recommendation that this petition **should be approved with our "standard" repair specifications, and that National Grid be advised to pursue this work expeditiously.**

Passed in Council – May 17, 2011

A True Copy, Attest:

Joseph F. Powers, Town Clerk
