

# TOWN OF BRAINTREE

## IN COUNCIL

ORDER NO: 11-019

DATE: April 26, 2011

ORDERED: NATIONAL GRID

### PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

**To install and maintain approximately 450 feet, more or less of 2 inch gas main in Georganna Street, Braintree.**

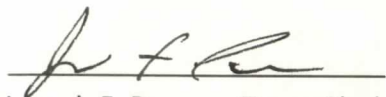

**From the existing 2 inch gas main in Washington Street Easterly to House #36 all of which to replace and abandon the existing 2 inch gas main in Georganna Street.**

Petition #11 019 was unanimously approved by Council with the following conditions:

**DPW: Georganna Street** was washed out in torrential rains about six years ago and was hastily repaired to its "binder" grade. No top course was ever applied, so it was never under a 5-year moratorium. It is our recommendation that this petition **should be approved with our "standard" repair specifications.**

Passed in Council – May 17, 2011
