

TOWN OF BRAINTREE

IN COUNCIL

ORDER NO: 11-020

DATE: April 26, 2011

ORDERED: NATIONAL GRID

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 1240 feet, more or less of 2 inch gas main in Plain Street and Harness Lane and adjacent to 339 Plain Street, Braintree.

From the existing 2 inch gas main in Bregoli Lane Easterly to 410 Plain Street. All of which to replace and abandon the existing 1 ½ and 2 inch gas mains in Plain Street.

Petition #11 020 was unanimously approved by Council with the following conditions:

DPW: Plain Street between Bregoli Lane and #410 (and extending slightly into Harness Lane) is in the current 100 Roads program, and we had requested early action, so it is good that this work is now being done. It is our recommendation that this petition **should be approved with our "standard" repair specifications.**

BELD: Plain Street has (2) sections of 15kv primary duct bank in the area of Bregoli Lane and Harness Lane. These lines will be identified through the Dig Safe process.
