To install and maintain approximately 490 feet, more or less of 2 inch gas main in Dickerman Lane, Braintree.

Petition #11 026 was unanimously approved by Council with the following conditions:

DPW: Dickerman Lane between Common Street and Bestick Road is in this year's 100 Roads program, and we had requested early action. We have put a hold on the overlay in this section so this work could be completed. It is our recommendation that this petition **should be approved with our "standard" repair specifications, and that National Grid be advised to pursue this work very expeditiously, as our overlay project is currently on hold awaiting completion of the gas work.**
