

Schedule of Benefits

THE HARVARD PILGRIM HMO MASSACHUSETTS

This Schedule of Benefits summarizes your Benefits under The Harvard Pilgrim HMO (the Plan) and states the Member Cost Sharing amounts that you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook and Prescription Drug Brochure (if you have the Plan's outpatient pharmacy coverage) for detailed information on benefits covered by the Plan and the terms and conditions of coverage.

Services are covered when Medically Necessary. Subject to the exceptions listed in the section of the Benefit Handbook titled, "How The Plan Works" all services must be (1) provided or arranged by your Primary Care Provider (PCP) and (2) provided by a Plan Provider. These requirements do not apply to care needed in a Medical Emergency.

You always have coverage for care in a Medical Emergency. A Referral from your PCP is not needed. In a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency number. Your emergency room Member Cost Sharing is listed below under the heading "Emergency Room Care."

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our clinical review criteria applicable to a service or procedure for which coverage is requested. Clinical review criteria may be obtained by calling **1-888-888-4742 ext. 38723**.

Your Covered Benefits are administered on a calendar year basis.

Notice of Grandfathered Plan Status

Harvard Pilgrim Health Care, Inc. believes this Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to your Employer’s benefits office or human resources department. For plans governed by the Employee Retirement Income Security Act (ERISA), (generally these are plans purchased by an employer, other than a governmental entity or a church) you may also contact the Employee Benefits Security Administration, U.S. Department of Labor at **1-866-444-3272** or **www.dol.gov/ebsa/healthreform**. This Web site has a table summarizing which protections do and do not apply to grandfathered health plans. For Plans that are not governed by ERISA, you may also contact the U.S. Department of Health and Human Services at **www.healthreform.gov**. You may also contact our Member Services Department at **1-888-333-4742** with any questions about which protections apply to your grandfathered health plan.
