

# BRAINTREE MASTER PLAN COMMUNITY FORUM

Saturday, May 21st, 2022, 1:00 to 3:00 pm

## Braintree Town Hall

1 John F Kennedy Memorial Drive

The Town is creating a new 10-year Master Plan, and would like to hear about your hopes, concerns and vision for the future of the town!

The forum will start with some presentations and continue with an open house event where you can provide input on the things you'd like to see in Braintree over the next decade.

Stop by between 1:00 and 3:00 on May 21!
